AIM for the Future Friday: CCBC

Ambridge High School Field Trip Grades 10th -12th - January 31, 2026

AIM for the Future Fridays at the Community College of Beaver County is designed to help high school students explore college and career pathways and learn how they can begin building their future through CCBC programs.

What are AIM for the Future Fridays?

AIM for the Future Fridays offer two distinct sessions that take place on the same day and at the same time. Students will attend the session that best aligns with their current academic standing and future goals:

AIM For the Future - Start in High School

For Sophomores and Juniors

This session is for students who are interested in earning college credit while still in high school. They will learn about CCBC's Dual Enrollment and Academy programs and how these opportunities can help them get ahead before graduation.

AIM for the Future - Start After Graduation

For Juniors and Seniors

This session is for students who are planning their next steps after high school. They will explore CCBC's college programs and career pathways to prepare for life beyond graduation.

*Juniors have the option to choose which session they would like to attend depending on whether they would like to start the programming while still in high school OR after high school.

During AIM for the Future Fridays, students will:

- Tour CCBC's campus
- Meet faculty champions
- Learn about majors and career-focused programs
- Receive enrollment information and guidance

Attached is a flyer to help with further information!

- **Time:** 9:30 AM – 1:00 PM (includes lunch)
- **Transportation:** Students will be provided transportation to and from CCBC

We appreciate your partnership and look forward to helping your students explore their future at CCBC!

10th Grade Field Trip: December 16, 2025

Students are provided transportation to and from the BCCTC once enrolled in the program and receive academic credit at the district. Information and details will be shared further as students enroll in the program.

We encourage your student again to explore the program at <https://www.bcctc.org> and ask questions during their in class presentations. Information will also be provided to students on how to sign-up for the BCCTC during scheduling at the High School.

*Sign-ups for the BCCTC Field Trip for 10th grade students will take place in the Ambridge High School Guidance Department starting November 13, 2025. We ask all students to sign-up for the field trip by December 4, 2025.

Any questions can be directed to Mrs. DeAngelis at 724-266-2833, ext. 2226.
