Career Ready Programs:

- The school district will assist students with getting the needed course codes to enroll and counselors will remain in contact with the college for checking attendance, grades, etc.
- These are college courses. The student is responsible for applying to the college, getting textbooks/supplies, driving to the college, completing coursework, and all needed communication with the instructors.
- Seniors taking these courses will not be able to apply for part time status second semester.
- Most of the are free tuition for high school students. Students will still pay for books and supplies.
- College classes might be two blocks of time, every day.

Johnson County Community College (JCCC) Excel in CTE – Application Only

- Most programs offer free tuition. Program fees apply for textbooks/supplies - Payable to JCCC
- The JCCC Excel in CTE Program is open to juniors and seniors as a dual enrollment on the JCCC campus. Student must provide transportation to/from the college campus. Most programs require an extra year or two post high school to fulfill all credits. Check with your counselor to apply.
- *The Drafting Program provides Zoom classes. Transportation is not needed. Your high school will assign you to a classroom.

Course Name	HS Credit	Weight	CTE Level	Prerequisite	Fees	Grade Levels	Dual Credit/AP
