Season Start Dates for High School Athletics

2026-2027 School Year

Looking ahead to the 2026–2027 school year, the athletic office is excited to share the official start dates for each high school sports season, listed below. Please mark your calendars with the season start dates! **The Fall athletic season begins prior to the academic school year, so early planning is essential.**

To be considered for a team, athletes must be present on the first day of tryouts and at the start of the season for teams that do not hold tryouts; students who miss the opening of the season will not be permitted to participate.

Registration for all sports teams must be completed through Arbiter Sports. Registration on Arbiter Sports opens 30 days prior to each season's start date, and must be submitted one week before the season begins.

For a list of available sports, please visit the Roslyn High School athletic website.
