

# Spanish 7

## Unit 1: Health & Body

### Stage 1: Desired Results

#### Standards & Indicators:

- 7.1.NM.IPRET.1: Identify familiar spoken and written words, phrases, and simple sentences contained in culturally authentic materials and other resources related to targeted themes.
- 7.1.NM.IPRET.2: Respond with actions and/or gestures to oral and written directions, commands, and requests that relate to familiar and practiced topics.
- 7.1.NM.IPRET.3: Identify familiar people, places, objects in daily life based on simple oral and written descriptions.
- 7.1.NM.IPRET.4: Report on the content of short messages that they hear, view, and read in predictable culturally authentic materials.
- 7.1.NM.IPRET.5: Demonstrate comprehension of brief oral and written messages found in short culturally authentic materials on global issues, including climate change.

7.1.NM.IPERS.1: Request and provide information by asking and answering simple, practiced questions, using memorized words and phrases.

- 7.1.NM.IPERS.2: Share basic needs on very familiar topics using words, phrases, and short memorized, formulaic sentences practiced in class.
- 7.1.NM.IPERS.3: Express one's own and react to others' basic preferences and/or feelings using memorized words, phrases, and simple memorized sentences that are supported by gestures and visuals.
- 7.1.NM.IPERS.4: Give and follow simple oral and written directions, commands, and requests when participating in classroom and cultural activities.
- 7.1.NM.IPERS.5: Imitate gestures and intonation of the target culture(s) native speakers when greeting others, during leave-takings, and in daily interactions.
- 7.1.NM.IPERS.6: Exchange brief messages with others about climate in the target regions of the world and in one's own region using memorized and practiced words, phrases, and simple, formulaic sentences.

- 7.1.NM.PRSNT.1: Present basic personal information, interests, and activities using memorized words, phrases, and a few simple sentences on targeted themes.
- 7.1.NM.PRSNT.2: State basic needs on very familiar topics using words, phrases, and short memorized, formulaic sentences practiced in class.
- 7.1.NM.PRSNT.3: Imitate, recite, and/or dramatize simple poetry, rhymes, songs, and skits.
- 7.1.NM.PRSNT.4: Copy/write words, phrases, or simple guided texts on familiar topics.
- 7.1.NM.PRSNT.5: Present information from age- and level-appropriate, culturally authentic materials orally or in writing.
- 7.1.NM.PRSNT.6: Name and label tangible cultural products associated with climate change in the target language regions of the world.

#### Career Readiness, Life Literacies and Key Skills

Standard	Performance Expectations	Core Idea
9.4.8.GCA.1	Model how to navigate cultural differences with sensitivity and respect (e.g., 1.5.8.C1a).	Awareness of and appreciation for cultural differences is critical to avoid barriers to productive and positive interaction.
9.4.8.GCA.2	Demonstrate openness to diverse ideas and perspectives through active discussions to achieve a group goal.	
9.4.8.TL.3	Select appropriate tools to organize and present information digitally.	Some digital tools are appropriate for gathering, organizing, analyzing, and presenting information, while other types of digital tools are appropriate for creating text,

		visualizations, models, and communicating with others.
<p><b>Central Idea/Enduring Understanding:</b> Students use the target language in the three modes of communication to explore human body and health vocabulary, to explore connections between languages, and to navigate basic health concerns. They understand that they can enhance their experiences and connections with others through language.</p>	<p><b>Essential/Guiding Question:</b></p> <ul style="list-style-type: none"> <li>● What is language?</li> <li>● Why do other languages borrow vocabulary?</li> <li>● What does it mean to be fit and look fit for my culture and another's?</li> <li>● How are languages connected?</li> <li>● What can I learn about my own language and culture from the study of others?</li> <li>● How can I enhance my own knowledge of my native language by studying another?</li> <li>● How can learning and using a language help me assimilate into a new culture?</li> </ul>	
<p><b>Content:</b></p> <ul style="list-style-type: none"> <li>● Human and animal body vocabulary</li> <li>● The verb tener=to have</li> <li>● Basic symptoms and feelings</li> <li>● Aches with dolor de + body part</li> <li>● Common illnesses</li> <li>● General health advice, suggestions, and requests</li> <li>● Structures necessary to:             <ul style="list-style-type: none"> <li>○ Express basic needs and feelings</li> <li>○ Describe physical appearance</li> <li>○ Express what they and others have</li> <li>○ Ask others what they have</li> <li>○ Describe what hurts them</li> <li>○ Express how they feel</li> <li>○ Tell what is broken</li> <li>○ Memorized and frequently practiced questions associated with basic needs, illnesses, and physical descriptions</li> <li>○ Culturally appropriate expressions and gestures to greet and take leave within a medical institution.</li> </ul> </li> </ul>	<p><b>Skills (Objectives):</b> In this unit, we are learning to...</p> <ul style="list-style-type: none"> <li>● Express how you feel and your basic needs and feelings using tener and estar expressions</li> <li>● Understand the forms and uses of TENER to describe what you or others have</li> <li>● Identify and label body parts</li> <li>● Describe oneself and others using the verb ser</li> <li>● Present an illness and a remedy</li> <li>● Express that a part of the body hurts using me duele + part of the body</li> <li>● Recognize descriptions of illness, medications, and symptoms as found in culturally authentic oral and written texts</li> <li>● Ask and answer memorized questions related to personal needs, illnesses, aches, and medications using digital tools</li> <li>● Understand the various ways members of the Spanish-speaking community command, greet, and take leave in a formal institution.</li> <li>● Share insight with a group or partner on cultural practices</li> <li>● Identify culturally specific phrasing, gestures, and courtesies within a formal institution in a Spanish-speaking country.</li> <li>● Understand what a cognate is</li> <li>● Recognize cognates to improve reading comprehension and native vocabulary</li> </ul> <p><b>Interpretative:</b></p> <ul style="list-style-type: none"> <li>● Interpret authentic written and video/audio texts such as advertisements, brochures, posters, blogs, online biographies, social network sites, stories, and short video clips that focus on descriptions of body parts and health terminology</li> </ul> <p><b>Interpersonal:</b></p> <ul style="list-style-type: none"> <li>● Engage in short, unrehearsed/unscripted conversations with classmates, the teacher, and members of the</li> </ul>	

# Spanish 7

target language community, in which they ask and answer questions related to a visit to the doctor

**Presentational:**

- Use lists, chunks of language, and memorized phrases to explain physical descriptions, symptoms, aches, and illnesses, and talk about physical health while using culturally appropriate gestures and intonations.

**Interdisciplinary Connections:**

English

- Identify cognates in a text and use them to infer the main idea.
- Explore the English-Latin connection in language.
- Read texts, summarize, and infer the meaning of vocabulary.
- Assign correct punctuation in a sentence.
- Construct grammatically correct sentences with subject/verb, noun/article, and noun/adjective agreement.
- Communicate in sentences.
- Expand vocabulary through cognates.
- Make introductions.
- Compare and contrast language.
- Discuss language use and dialects.
- Read and respond to different types of literature: ads, menus, brochures, dialogues, posters, etc.
- Ask and answer questions.
- Read, summarize, and discuss cultural articles and topics about Latino healthcare.
- Reading Comprehension
- Predict the meaning of words and phrases when used in a dialogue or article on familiar topics.
- Complete writing assignments based on chapter themes.
- Create informational presentations.
- Chapter Grammar/Vocabulary Topics
- Describe the physical condition of places and things.
- Describe how people feel.
- Recognize and use some common adjectives that describe conditions and emotions.
- Describe what someone has using the verb to have.
- Construct sentences distinguishing between variable and invariable qualities of people and things.

Math

- Use cardinal numbers to tell quantity, price, age, day, and year
- Represent quantities with dosage
- Understand currency and currency exchange rate

Art/Music

- Demonstrate understanding of written and spoken materials through the use of drawings and other visuals

Science

- Identify body parts in humans and animals
- Human illnesses
- Describe how people feel
- List and understand the use of medications
- Discuss health and body values

Social Studies

- Learn about Spanish-speaking countries
- Read, summarize, and discuss cultural articles and topics on Latino lifestyle and medical traditions
