FUN DAYS

With winter upon us, we are taking the opportunity to use some of our favorite recipes to keep warm.

With things like Chili Dogs, Chicken Cacciatore, and Lasagna Macaroni, we are determined to keep kiddos satiated and ready to learn.

FUN

Chili Days

This month is focused on staying warm and eating food that comforts as well as fills us up. We will be serving Chili Dog's, a comfort-food favorite with bold flavor. Another fan favorite will be our Chili Mac. With a hearty blend of savory chili and tender macaroni, we get two favorites in one bowl.

UP NEXT:

Fun Day! 1/15 is Bagel Day. We will be serving Strawberry Mini Bagels for breakfast.

Cheese Lovers Day is 1/19. We will serve Corn & Black Bean Nachos with Cheese.
