## **OUR MISSION**

The mission of the Clear Creek Independent School District, the visionary leader igniting learning for all, is to ensure each student achieves, contributes, and leads with integrity in a safe and nurturing environment distinguished by authentic relationships, service before self, and the spirit of exploration.

## **OUR VISION**

Empowering every student with a world-class education that ignites passions and fuels endeavors.

## **WE BELIEVE**

There is a collective moral imperative to invest in each person's capacity to thrive.

People thrive when they are physically safe and emotionally resilient.

Determination, perseverance, and resilience lead to growth and excellence.

We are stronger because we develop each person's unique talents and abilities.

Relationships built on trust, compassion, and respect fuel student growth.

A culture of innovation is driven by curiosity and exploration.

Each person is responsible for our collective success.

Our success will be evident in each student's achievements.

## Message to *Our Community*

This year, the Clear Creek Independent School District embraced innovation with bold purpose and unwavering passion. From classrooms alive with creativity to groundbreaking programs that empower every learner, we continue to redefine what world-class education looks like.

Our annual report, *World-Class Education: Fueling Endeavors, Igniting Passions*, reflects the heart of our mission. It is about more than academic excellence; it is about nurturing curiosity, inspiring ambition, and equipping students to create their future.

In the 2024–2025 school year, we advanced our Vision 2030 Strategic Plan with the highly successful Launch course, a 6th grade progression of Stephen Covey’s *Seven Habits of Highly Effective People* and career exploration. We also fulfilled promises made in the 2023 Bond Program to improve learning environments and chartered innovative programs that ensure CCISD remains the destination for families.

This report highlights the achievements and aspirations that define our district. We invite you to explore the data, celebrate the stories, and join us in envisioning what’s next.

# Academic Achievement

2025 Texas Education Agency  
Accountability Summary

**88 B**

Clear Creek ISD continues to shine as a leader in academic excellence across the Houston region and the nation.

In 2025, the Texas Education Agency awarded the District an overall rating of 88 (B), with strong marks in Student Achievement (88) and Closing the Gaps (88). Complimenting this, NICHE, a national school ranking organization, ranked CCISD with an overall A.

These ratings place Clear Creek ISD among the top-performing school districts in the Greater Houston area.

# College and Career Readiness

Clear Creek ISD prepares students for life beyond high school graduation by offering a wide range of college, career, and military readiness opportunities. From advanced academics like Advanced Placement and dual credit courses to hands-on Career & Technical Education pathways in fields such as welding, health science, construction technology and culinary arts, CCISD ensures every learner can find a path that fits their goals.

College entrance scores for both SAT and ACT continue to be above the state and in many cases, above the global average. Advanced Placement (AP) scores and participation rates have increased across all comprehensive high schools.

## SAT

The SAT is a college readiness exam offered through The College Board® that measures students' abilities in Evidence-based Reading and Writing (EBRW) and mathematics. The highest score possible on the SAT is an 800 in EBRW and an 800 in Math for a total score of 1600.

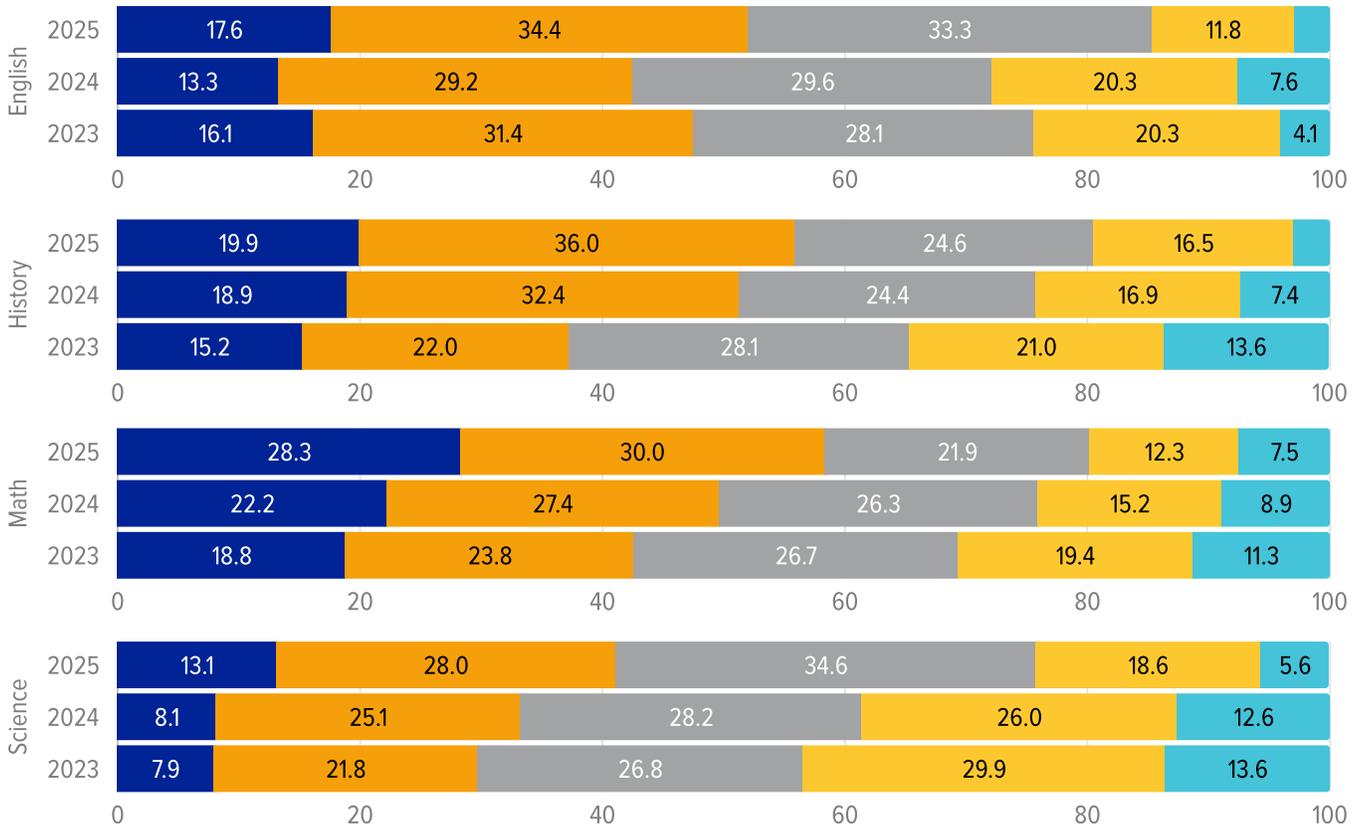

## ACT

The ACT is also a standardized test used for college admissions and scholarship decisions across the United States.

ACT Performance - All Testers

### AP Test Scores by Test Type

## Career and Technical Education Certifications Earned

A total of 1,586 Career and Technical Education (CTE) certifications were earned by CCISD students in the 2024-25 school year. These Industry-based Certifications (IBC) prepare students for success in the workforce or in post-secondary education.

- Automotive Technology: 21
- Certified Nursing Assistant: 49
- Computer Maintenance: 22
- Computer Technician: 8
- Cosmetology: 6
- Teacher Education Training and Child Guidance: 33
- Child Guidance: 56
- Culinary Arts: 34
- Floral Design: 770
- Construction Technology and Metal Manufacturing: 106
- Patient Care Technician: 148
- Pharmacy Technician: 52
- Dentistry: 44
- Cybersecurity: 19
- Veterinary Medical Applications: 18
- Advanced Animal Science: 50
- Practicum in Veterinary Medicine: 21
- Welding: 57
- Agriculture Mechanics: 72

Clear Creek ISD's College, Career, and Military Readiness (CCMR) scores show steady improvement, reflecting the district's commitment to preparing every student for success beyond graduation.

The Texas Education Agency tracks how well students are prepared for post-secondary opportunities. CCISD has seen a 20% increase in CCMR Readiness Rates compared to prior years. The District's CCMR Score is 77. The CCMR data is based on the prior year's graduating class.

Several CCISD high schools stand out for their leadership in post-secondary readiness.

- Clear Horizons Early College High School continues to earn statewide recognition for enabling students to graduate with both a diploma and an associate degree.
- The District earned 26 TEA distinction designations in Post-Secondary Readiness, underscoring how deeply these values run across all campuses.
- CTE programs now offer credentials in fields ranging from aerospace engineering and cybersecurity to health science and digital media.

# Vision 2030 Strategic Plan

Clear Creek ISD's Vision 2030 Strategic Plan was shaped by educators, trustees, parents, and business leaders to chart a bold future for students.

Guided by the Profile of a CCISD Learner, the plan focuses on several priorities: expanding the Leader in Me program to all elementary schools, elevating the intermediate school experience, improving parent communication, and building a culture of belonging and excellence.

## Leader in Me & Launch

As a Leader in Me District, CCISD teaches Stephen Covey's 7 Habits of Highly Effective People to instill positive habits early, supported by a \$100,000 annual commitment from the Clear Creek Education Foundation. Results from the program's Measurable Results Assessment (MRA) show strong growth in leadership, culture, and academics, with scores in the 79–83 range.

In the 2024-2025 school year, CCISD expanded the program to Clear Lake City Elementary, Parr Elementary, and Ross Elementary.

To extend these lessons into secondary schools, CCISD created Launch, a required 6th grade elective that applies the 7 Habits to real-world skills like teamwork, communication, and career exploration.

## Elevating the Intermediate School Experience

Innovation continues at the intermediate level with the STREAM of Innovation initiative, beginning at Space Center Intermediate, where students explore themes in Space, Technology, Robotics, Engineering, Arts, and Medicine.

Three additional intermediate schools will implement STREAM in the 2026-2027 school year.

## Improved Parent Communication

In the 2024-2025 school year, CCISD simplified and unified the parent communication process with the implementation of ConnectCCISD, powered by Parent Square. In its first year of implementation, 90% of parents indicated satisfaction with the platform.

# Culture of Belonging & Excellence

CCISD saw a 7-point increase in its workplace experience score, which is calculated by Energage Workplace, a national survey company. The largest increase in employee perception:

- 14 Points: My pay is fair for the work I do.
- 11 Points: Clear Creek Independent School District does a great job of prioritizing employee well-being.
- 10 Points: I feel well-informed about important decisions.

With CCISD scoring five points above other school districts, CCISD has been named one of the top workplaces in Houston.

## Employee Retention

Recruiting and retaining a high-quality staff is a priority in CCISD as evidenced by its retention rate, investment in the National Board Certification program, and competitive pay and benefits.

In 2024–2025, Clear Creek ISD achieved strong retention across all school levels.

2024-2025 Retention Rate	
Elementary	91.60%
Intermediate	86.60%
High School	87.00%
District-wide Total	88.40%

Source: CCISD Human Resource Department

A key marker of professional growth and distinction within CCISD is participation in the National Board Certification process. In the 2024–2025 school year:

- 16 teachers have achieved full National Board-Certified Teacher (NBCT) status.
- 65 additional teachers are actively in progress toward National Board certification.

This leadership in advanced credentialing underscores CCISD’s commitment to elevating instructional quality. Moreover, the district has made NBCT growth a strategic priority. For example, its 2024–2025 District Goals include an effort to increase the number of educators in the National Board Teacher Certification program through a new system of district supports.

## Looking Ahead to 2026 and Beyond

---

Clear Creek ISD's 2025 Annual Report reflects a district that is more than classrooms and test scores. It is a launchpad for the future. Guided by the Vision 2030 Strategic Plan, CCISD is expanding the Leader in Me program, elevating intermediate experiences through STREAM innovation, and opening new doors with college and career pathways like the P-TECH healthcare program.

Early learning expansion has given every four-year-old access to Pre-K, and literacy rates are rising across the district. At the secondary level, students are thriving in advanced academics, Career & Technical Education, and dual credit programs that prepare them for college, careers, and service. With 26 TEA distinctions in post-secondary readiness and an A+ in College Prep from NICHE, CCISD stands among Houston's top districts.

Looking forward, CCISD is preparing to open a full-time virtual program to meet the needs of families in search of a high quality education on their time schedule. This program, which will begin in 2026, will position Clear Creek ISD to remain competitive in the education field.

Behind these achievements are the students, staff, and families who make CCISD exceptional.

EMPOWERING EVERY  
STUDENT WITH A WORLD-  
CLASS EDUCATION THAT  
IGNITES PASSIONS AND  
FUELS ENDEAVORS.
