Using Schoology-Parent Quick Tips

1. Log into Google (start here if you are using your own device)

- Open a web browser (Chrome works best).
- Go to www.google.com and click sign in (top right).
- Type your child's DVSD email and click next.
    - Example: 555555555@dvsdedu.org
- Type your password and click next to finish signing in.

2. Go to DVSD and ClassLink

- In the address bar, type www.dvsd.org and press enter.
- Click the Parent Page link at the top.
- On the Parent Page, click the ClassLink link.
- A new tab or window will open for ClassLink.

3. Log into ClassLink (start here if you are using a school Chromebook)

- ClassLink should open when you log into your Chromebook
- If not, look for ClassLink in bookmarks.

4. Open Schoology

- On the ClassLink launchpad, find and click the Schoology icon.
- Schoology should open and log your child in automatically.
- You will see your child's Schoology Home or Courses page.

5. Find the Zoom Link in Schoology

- In Schoology, make sure you are on the Home or Recent Activity/Updates page.
- Look for a teacher Update with a Zoom meeting link.
- After 40 minutes of instruction, the Zoom link will close. If your child has questions or needs help with an assignment, they may click the Zoom link to re-enter the classroom.
