

# WINTER ENRICHMENT FLYER

## Session 2: January 13 - February 12

Tuesdays and Thursdays after school until  
Parent Pick-up at 4:00PM (10 classes)

Board Games: Board games are good for building social connections and a sense of community by providing a fun, shared activity. Join this community of friends and improve your critical thinking skills. This course will be exploring board games to encourage strategic thinking, decision making and problem solving skills. This fun club run by Ms. Fisher is for **grades 3-6**.

P2 Kindness Club-Other People Matter: The Positivity Project (P2) empowers students to build character, take ownership of their actions, and strengthen relationships. Students will brainstorm ways they can show the OPM mindset around the school community by doing a random act of kindness each week. This fun club run by Ms. Dix is for **Grades 3-6**

STEM CLUB: Do you want to join our fun, hands-on club where curious kids can explore Science, Technology, Engineering, and Math through exciting experiments, building challenges, and creative projects like, robot building, simple coding, and designing structures, fostering teamwork, critical thinking, and a lifelong love for discovery in a playful setting. This exciting STEM club run by Ms. Cooke is for **Grades 3-6**.

Archery: Take aim and discover the exciting world of archery! In this National Archery in the Schools Program (NASP) course, students will learn how to safely shoot a bow, improve focus and coordination, and build confidence one arrow at a time. Whether you're a beginner or have some experience, everyone can find success and have fun! All equipment is provided – just bring your curiosity and a steady aim! **This class taught by Mrs. Neddo and Mr. Rapp is limited to 5<sup>th</sup> and 6<sup>th</sup> graders.**

Forts First Responders: Mrs. Goodsell will teach basic first aid skills and some healthy self care tips. The course will also cover healthy habits and explore the idea of Growth Mindset when it comes to healthy lifestyle choices. February is Healthy Heart month and Dental Health month so kids will have fun learning all about making good choices to stay strong, fit, and healthy. **This class is limited to 5<sup>th</sup> and 6<sup>th</sup> graders.**

If you would like to enroll your child please fill out the attached registration form and return it to school with your child by December 19th.
