Comprehensive Needs Assessment

Demographics

Summary

Our student population comes from varied academic backgrounds, including different public-school districts, charter schools, private schools, and homeschooling. Enrollment goal is 1,400 students. Diverse races and ethnicities are represented among our students, with the top three being Black/African American (48.3%), Hispanic/Latino (31%), and Asian (10.3%), White (5%), Two or more races (4.8%). Additionally, we serve a significant number of Emergent Bilingual Learners, with 129 students served, about 29% of our students.

Mansfield Heritage K8, located at 10701 Heritage Pkwy, Grand Prairie, TX 76065. ILTexas Mansfield Heritage K8 was the newest campus to be built in Tarrant County. ILTexas MHK8 serves scholars in grades PreK to 8th. Our school uses the lottery system to enroll scholars. 50% our students are considered at an economical disadvantage.

Strengths

Our school is ethnically diverse. We served a total of 603 scholars at the end of the 24/25. The 24/25 school year was the first year of MHK8 being opened to students. Currently have enrolled 203 middle school students and 618 elementary students for the 25/26 school year

Our school serves all scholars including but not limited to: gifted and talented, emergent bilinguals, exceptional education, fine arts, and athletics. We are a language/leadership school and our scholars graduate mastering the English, Chinese, and Spanish languages. Our school places emphasis on strengthening the mind, body, and character. These together help our scholars to be able to compete in the global society.

Problem Statements Identifying Demographics Needs

Problem Statement	Root Cause
1 ★ There is a need to increase student attendance and absence reporting.	Campus staff are unable to track and keep up with truancy prevention and truancy officer requirements.
2 Per RDA, 26% of EL/EB students scored at Beginner/Intermediate levels after multiple years in U.S. schools.	Lack of ESL certified teachers and insufficient implementation of sheltered instruction strategies.
3 Special Education students in STAAR tested grade levels, for Math and ELAR/Reading, performed between 10% and 23% lower than their general education peers at the Meets level.	Due to mid-year staff turnover, post-pandemic, instructional use of research-based pedagogy drastically decreased.
4 We are in the need of increased opportunities for parental input, involvement and engagement.	Being a charter school system, our families do not always live near the school and distance and the feel of community can be a challenge.

★ = Priority

Student Learning

Summary

ILTexas MHK8 has completed their first full school year in 24/25. During the school year students participated in Interim testing and TTAP.

For the 23/24 school year ILTexas District received an overall accountability rating in 2022 of 86 = B. Eighteen campuses received an overall rating of B, twelve campuses received an overall rating of C.

Preliminary early scores have been released for EOC's for Algebra 1 and English 1. No students taking this test for MHK8 scored in the did not meets category. The overall preliminary rating for EOC's for MHK8 is an A rating.

For Interim 2 testing first attempt for the 24/25 school year for MHK8 subpopulations scored as follows: It is important to note the total number of students in the tables found below when considering the percentage. Because MHK8 is in its first few years enrollment is less than other schools.

3rd grade Reading

	2024-2025 Interim Reading Assessment, Grade 3 - Window 3 (Attempt 1)

ACTFL & AAPPL:

Spanish Language Acquisition -

In 2022, 76% of elementary students were performing in the Novice range, 16% were performing in the Intermediate range, and 7% were performing in the Advanced range per ACTFL data. At the middle school level, 76% of elementary students were performing in the Novice range, 16% were performing in the Intermediate range, and 7% were performing in the Advanced range per ACTFL data. At the high school level, 76% of elementary students were performing in the Novice range, 16% were performing in the Intermediate

range, and 7% were performing in the Advanced range per ACTFL data.

Strengths

All students receive instruction in both Spanish and Mandarin Chinese beginning in Pre K and continuing through 8th Grade.

Students at the Pre K through 1st Grade levels participate in a two-way dual language program

All campuses across the district operate on a common master schedule to allow for common planning times and inter-district PLC opportunities on a daily and weekly basis

Data Days are set aside for teachers to understand where students are and to purposefully plan for instruction, accelerated learning, and extensions

Problem Statements Identifying Student Learning Needs

Problem Statement	Root Cause
1★ ILTexas does not meet the federal requirement of 36% on TELPAS. ILTexas EL/EB students scored 35% on TELPAS.	Lack of ESL certified teachers and the need for more training on implementation of EB strategies.
2 Per RDA, 26% of EL/EB students scored at Beginner/Intermediate levels after multiple years in U.S. schools.	Lack of ESL certified teachers and insufficient implementation of sheltered instruction strategies.
3 Special Education students in STAAR tested grade levels, for Math and ELAR/Reading, performed between 10% and 23% lower than their general education peers at the Meets level.	Due to mid-year staff turnover, post-pandemic, instructional use of research-based pedagogy drastically decreased.

★ = Priority

School Processes & Programs

Summary

*We teach the state required curriculum (TEKS) & ILTexas adopted High Quality Instructional Materials (HQIM)

*Charterwide, ILTexas follows the same scope and sequence (YAG: Year at a Glance & daily pacing tools) for our 8 core departments (Math, RLA, Science, Social Studies, Chinese, Spanish, Fitness & Leadership)

*ILTexas High School Personal Graduation Plans (PGP) Guidelines

*Adjustments and focus areas will be data driven and based off of Leadership Report Card/Lead4ward Priority Clusters (Priority TEKS Clusters) & MAP data (for relevant courses).

*Emphasis will be placed on data highlighting the most crucial COVID gaps and priority TEKS (not only highly weighted, but also those foundational for vertically aligned next course) while also addressing socio-cultural competence.

*Teacher course specific support and resources are available on the teacher C&I Landing Page(which has a deeper dive into each department).

Program Model:

*PK - 1 will follow our research based K-5 Two-Way DLI Program Model to teach content through language and language through content.

Note: While we begin teaching the curriculum day 1, an emphasis and priority will be placed on building relationships and setting norms the first days of school

As a campus going into their second year of being open, the utmost priority is student safety with an emphasis on establishing quality routines and procedures with the second priority being academic success for all students.

We have staff with a diverse background, with teachers that are new to teaching, coming from other ILTexas campuses, or are new to the charter. To ensure student success, there must be an emphasis on aligning curriculum and instruction across the campus and charter. To support with this, MHK8 will collaborate effectively with instructional coaches and support all of our teachers. There is a need to strengthen the content knowledge with our teachers in order for teachers to learn the depth and complexity of standards and TEKS guidelines. The charter data and campus data reflects that some standards need additional time, a reteach, differentiation, or a different approach to teach a particular concept/skill. Teachers will utilize the IPP planning process for all core subject areas, as well as analyze data based on the state, district and local assessments in order to be data driven. Teachers will need to differentiate instruction based on students' needs and learning styles in order to reach a diverse group of students.

Staff Recruitment and Retention: Our goal is to recruit and retain high caliber staff. We use sources such as, campus website, the Teacher Job Network (TJN), District and Region 10 and 11 job fairs, social media, and word of mouth. Our goal is that all teachers are highly qualified. We have teachers in alternative certification programs as well as visiting teachers from other countries to support our district mission of being a trilingual school district. Finding highly qualified teachers to teach our trilingual model has required us to look outside of the US for teachers. As a charter, we have a mentor program to support first year teachers, and there is district, campus, and grade level support provided to all new staff.

Technology: All staff members have been provided a laptop. We have document cameras and Interactive/whiteboards in all classrooms. In addition, students in grades 3-8 are provided their own Chromebooks. Likewise, students in K-3 classrooms utilize one tablet, or Chromebook creating a 1:1 ratio for technology. Due to virtual learning, all students K-8 had a 1:1 ratio chromebooks. We utilize the following academic resources to assist us in our daily learning and communication: Kahoot, Measuring Up, Dojo, Study Island, IStation, Reading A-Z, Stemscopes, Kuder, MAP, STAAR-AR, Imagine Math, Splash Math, All in Learning, Google Classroom, and Seesaw; and finally, technology pieces that also encourage and engage parents through the use of programs such as Edmodo, Peachjar, Dojo, Smores, Facebook, Call-Messenger and Parent Portal. With the use of this kind of technology we have increased our parent communication, improved behavior, while continuing to make teaching and the delivery more engaging, attainable, and fun. Virtual learning allowed us to provide more technology support to parents through a technology help desk. Resources (Eduphoria, Forethought, Staff Climate Survey)

Strengths

Curriculum, Instruction, and Assessment: Low turnover among staff allows for consistency in content areas which ultimately results in stronger content knowledge and effective use of instructional practices. With the support of subject matter experts, teachers are able to get more support in areas of lesson design, curriculum alignment, data analysis, and data-driven instruction.

Staff Recruitment and Retention: After completing our first year open only 2 teachers will not be returning for the 25/26 school year.

Technology: Each student in grades K-8 has access to technology via chromebooks. Students in grades 3th-8th receive their own personal chromebook for academic usage.

School Processes & Program Strengths: The campus does a great job of adhering to the many cultural and international festivities that are mandated by the district. Strong systems are in place to ensure organizational and academic strengths.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement	Root Cause
1★ Some students do not have access to high quality instruction because 70.3% of ILTexas teachers have less than 6 years of experience teaching.	Due to funding limitations with a free, public charter schools struggle with competitive pay scales in comparison to bigger public ISDs.
2 On the STAAR Math test, 0 out of 13 targets were met for percentage of students performing at the Meets grade level standard and only 1 out of 12 targets were met for academic growth in math.	With changing standards and instructional programs, our teachers need additional support and instructional strategies training.
3 Per RDA, 26% of EL/EB students scored at Beginner/Intermediate levels after multiple years in U.S. schools.	Lack of ESL certified teachers and insufficient implementation of sheltered instruction strategies.

★ = Priority

Perceptions

Summary

As a campus, our climate and culture survey indicates that majority of our campus staff feel as if our campus' environment is positive and encouraging. Our staff does a great job of collaborating and working together for the greater good. The campus does a great job of reinforcing the district's vision and mission. For this school year, the campus will work on streamlining systems related to student discipline, establishing clear campus standards and strengthening staff morale overall.

The students have access to interventions, Fitness Win, Eagle Academy, and tutoring to help them succeed in the next grade level. This year, students received one-on-one mentoring to understand their scores and identify areas for growth needed for the school year.

The mentoring program that assists the new teachers is helpful. The teachers get a sense of relieve and feel supported when they receive positive feedback from their mentor.

Teachers highlight the diversity of the school and the languages students are learning. The school officer helps everyone feel safe, and our safety committee is an effective system in place. We celebrate teachers and cultures, and teachers feel they make lasting friendships.

Teachers feel supported by administration. The teacher success plans are in place for teachers that need it. There are multiple opportunities for professional developments, weekly and every 6 weeks. Teachers feel they need more time to work on their assignments they need to catch up on.

Strengths

Campus strengths are the positive culture and climate and which staff feels as if they are a "family" with a "family-oriented" environment.

The students have access to interventions, Fitness Win, Eagle Academy, and tutoring to help them succeed in the next grade level. This year, students received one-on-one mentoring to understand their scores and identify areas for growth needed for the next school year.

The mentoring program that assists the new teachers is helpful. The teachers get a sense of relieve and feel supported when they receive positive feedback from their mentor.

Teachers highlight the diversity of the school and the languages students are learning. The school officer helps everyone feel safe, and our safety committee is an effective system in place. We celebrate teachers and cultures, and teachers feel they make lasting friendships.

Teachers feel supported by administration. The teacher success plans are in place for teachers that need it. There are multiple opportunities for professional developments, weekly and every 6 weeks. Teachers feel they need more time to work on their assignments they need to catch up on.

Problem Statements Identifying Perceptions Needs

Problem Statement	Root Cause
1 ★ We are in the need of increased opportunities for parental input, involvement and engagement.	Being a charter school system, our families do not always live near the school and distance and the feel of community can be a challenge.
2 We need to ensure that the translation system for non-English speaking parents attending campus meetings/performances is always accessible and functional	While ILTexas has invested in the translation systems for use at campus and district functions, we often times cannot locate them, or they are not functional.

Action research results

Goals

Goal 1

By the end of the 25-26 school year, 85% of ILTexas campuses will receive an overall rating of C or higher for their statewide accountability rating, an increase from 75% achieving a C or higher the previous year.

Performance Objective 1 High Priority

By the end of the 2025-2026 school year, all Special Populations (to include AA student group, EC Disadv student group, 2 or more races student group, SPED, Bilingual, and ESL students) will increase their performance at the Meets Performance Level on State Assessments by 15-20%.

Evaluation Data Source: Benchmark data, STAAR

Strategy 1

ILTexas will bring in subject matter experts and consultants to help teachers, administrators, and charter staff strengthen their ability to support Emergent Bilingual students with focus on increasing the Meets Target goal on the STAAR Reading assessment.

Strategy's Expected Result/Impact: Increased student achievement

Staff Responsible for Monitoring: Deputy Superintendent of Academics & Student Services, Exec. Director of EL/
EB Support, Content Directors, Area Instructional Coaches, Academic Directors, Campus Principals, Deans of Instruction, Instructional Coaches

Funding Sources: Tech/Communications, Databases, Office supplies 211 - Title I School Improvement,

Formative Reviews

November

January

May

June

Strategy 2

The DLI and EL Instructional Coaches will support implementation of Content Based Language Instruction (CBLI) strategies by following the instructional coaching cycle and by providing professional learning opportunities to staff as it pertains to Emergent Bilingual students.

Strategy's Expected Result/Impact: Increased EB student achievement.

Staff Responsible for Monitoring: Deputy Superintendent of Academics & Student Services, Exec. Director of EL/
EB Support, Content Directors, Area Instructional Coaches, Academic Directors, Campus Principals, Deans of Instruction, Instructional Coaches

Funding Sources: Databases, Tech/Communications, Office Supplies 211 - Title I School Improvement,

Goal 2

By the end of the 25-26 school year, at least 75% of students graduate meeting their language goals (students enrolled at ILTexas 7 years or more are at Intermediate or above), 95% of students will have completed their service hour requirements and 75 % of graduates will have met their Interactive Health Technology goals.

Performance Objective 1 High Priority

By the end of the 2025-2026 school year, the parent survey will reflect effective communication between the school and the stakeholders, and parent volunteer numbers will be at least 50.

Strategy 1

Provide parents an opportunity to join PTO, hold events on campus, and provide timely information regarding school activities for parents.

Strategy's Expected Result/Impact: Increase in parental involvement to foster positive school community relationships.

Funding Sources: Family Engagement meeting supplies 211 - Title 1-A,

Strategy 3

Develop jointly with, and distribute to parents, a written PFE policy that describes how the school will inform parents of the school's participation in the Title I, Part A program, and strategies that the school will use to build the capacity of parents to support campus academic goals. To meet the needs of diverse languages of our parents, families and community members, additional language translation of the policy will be made available at no cost.

Strategy's Expected Result/Impact: Increased communication with parents and families. Improved student outcomes.

TEA Priorities: Improve low-performing schools

ESF Levers: Lever 3: Positive School Culture

Goal 3

By the end of the 25-26 school year ILTexas will retain 76% of teachers, an increase from 73.88% achieved in the school year 22-23 (will update in August).

Performance Objective 1

ILTexas will provide onboarding training for all new teachers in the classroom throughout the 24-25 School Year.

Evaluation Data Source: Increase Teacher Retention

Strategy 1

Each curriculum and instruction department will provide continuous training in the TEKS and instructional strategies through content PLC meetings, data day analysis, professional learning days, and other professional learning opportunities.

Strategy's Expected Result/Impact: Increase Teacher Retention

Staff Responsible for Monitoring: Campus Leadership Curriculum and Instruction Departments

Funding Sources: Databases, Tech/Communications, Office Supplies 211 - Title I School Improvement,

TEA Priorities: Recruit, support, retain teachers and principals

ESF Levers: Lever 3: Positive School Culture
