

LAUNCH YOUR FUTURE

Student Interest Alignments

Choosing a pathway helps to direct student study. For students who aren't sure where to start, considering your interests can help. Here are some examples of alignment between student interest and RHS Pathways. Our counseling and teaching staff is also ready to help students as they plan for their futures.

Rockford High School is a high performing high school serving students in grades 9-12. We are located just west of the Minneapolis metro area and have been recognized as an International Baccalaureate World School since 2021.

LAUNCH YOUR FUTURE

Rockford High School | IB World School

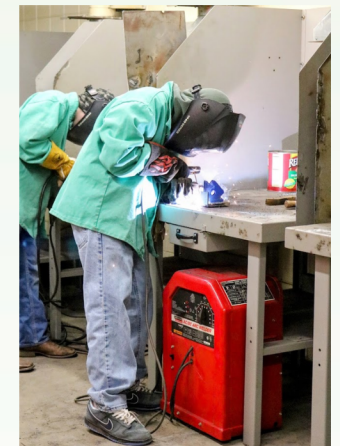

All students at Rockford High School are called to:

- **Engage in Learning** through rigorous coursework with access to college credit through College in the Schools and the International Baccalaureate Diploma Program
- **Ignite Curiosity** by owning their learning and creating a four-year plan which provides a roadmap for their coursework and a vision beyond beyond high school
- **Launch Your Future** by exploring a variety of careers through specific coursework aligned to college and career pathways, allowing them to full prepare to be enrolled, enlisted, or employed by graduation.

In some RHS Pathways, certifications may be earned by exam or course completion, offering competitive advantages and greater access to employment.

*In other Pathways, RHS offers **over 50 free college credits** which may be earned through dual-enrollment or IB examinations.*
