CHAPARRAL

Dear Firebird Families,

We have finally reached the end of the first semester, and it's been a great one! Fall sports were very successful overall, we saw our arts students perform in a variety of concerts, many student participated in community service and fundraising events, and most of all our students were in classrooms learning. Much more is in store for the spring, and we look forward to see you on campus at some point in the near future!

Teachers and classes participated in a door decorating contest, which was won this year by the Special Education Department! Their display even included Mr. Abt dressed in a Santa outfit!

A sincere thanks goes out to all of the parents and students who showered staff and students with gift and food! Our hearts (and tummies) are full.

I hope everyone is able to take some time to enjoy family and friends this holiday season. Cheers to all, and we will see you again in 2026!

Sincerely,
Joshua Pantier, Principal
