

2024-2025

ANNUAL REPORT

DEAR WESLEYAN FAMILY & FRIENDS,

Thank you for taking the time to review our Annual Report for the 2024–2025 school year, a summary of the efforts of so many to support Wesleyan financially. In the pages that follow, you can read summaries of the Campaign for Students capital campaign, Wesleyan Fund, alumni giving, special gifts, Georgia GOAL, endowments, and the Legacy Society. It is a joy to be able to report to you all these wonderful accomplishments that aid in furthering our school's mission of being "a Christian school of academic excellence." I hope you will take the time to review the results of these efforts and share in my gratitude and humility as you think about the countless lives of children who have been and will forever be impacted through the generosity of Wesleyan families, friends, and graduates.

By almost any metric you choose, the health of our school is strong. However, as wonderful as these results and metrics are, these are not the things that drive us.

These are by-products of a school culture driven by consistently working to further the Christian mission and make the experience better for our current students and families.

This strategic focus led us to the Campaign for Students. By successfully finishing Phases I & II of the campaign, we completed all projects at the Hoyt Family Athletic Complex in the fall of 2020 and opened Studie & Zach Young Hall in August 2025. Young Hall is a two-story, 48,000 square foot academic building that houses all middle and high school STEM classrooms, larger high school science labs and classrooms, a college advising suite, office and meeting spaces, and a prayer chapel. Young Hall is equipped with updated technology and has spaces that can easily be transformed and reconfigured to meet a range of academic offerings and activities.

I am also happy to report that the Wesleyan Fund achieved 97% parent participation in the 2024-2025 fiscal year, which means we have achieved 95% or greater participation for the 23rd time in the last 25 years. The national average for independent school parent participation in annual giving is 66%. The total amount raised in this year's Wesleyan Fund totaled \$1.656 million, which is a new school record. I am also excited to share that alumni giving raised \$94,309, representing a 58% increase from the previous year. We received gifts from members of every graduating class from 1998 to 2024, and 100% of our Legacy Wolf families (alumni with children at Wesleyan) participated this year.

Since the Wesleyan Fund and the Alumni Fund directly support faculty salaries and benefits and need-based financial aid, this year's success puts us in the strongest position to offer competitive compensation packages to our employees, while also making robust financial aid available to qualified applicants.

Thank you for your investment in the spiritual, intellectual, physical, social, and emotional development of children, and thank you for furthering the Kingdom through the mission of Wesleyan School. I continue to be grateful to you for your ongoing support of our school and your confidence in us. I am grateful to God for His many blessings on our school and pray that He will continue to bless you and Wesleyan School over the course of this next year.

Sincerely,

A handwritten signature in black ink that reads "Chad McDaniel".

CAMPAIGN FOR STUDENTS

From the earliest days of Wesleyan School, we have been blessed by incredible generosity, with more than \$198 million raised to fund six capital campaigns since 1996. These campaigns built our campus and created an endowment that will have an eternal impact on students, faculty, parents, and friends of Wesleyan. Completed in the summer of 2025, Phase II of the Campaign for Students funded Young Hall as Wesleyan has continued to expand offerings in technology and engineering. This new, two-story 48,000 square foot academic building is equipped with updated technology and has multi-use spaces that easily transform and reconfigure to meet a range of academic offerings and activities.

Thanks to the remarkable commitment of our benefactors, total capital gifts and pledges for this phase have exceeded \$46 million. We are deeply grateful to these donors who have advanced a powerful tradition of philanthropy at Wesleyan School.

24 / 25 WESLEYAN FUND

The Wesleyan Fund is the foundation of all Wesleyan fundraising efforts, and each year, we ask every family to participate. Wesleyan is a community with a history and heart for philanthropy. For 23 of the past 25 years, we met or exceeded 95% parent participation.

Supporting the Wesleyan Fund allows us to hire and retain the best and brightest teachers, fund need-based financial aid, and remain need-blind in the admissions process. When we find an excellent teacher who also wants to coach a sport, lead in the arts, host a Bible study, and give up his/her spring break to go on a mission trip with our students, we want that person to sign our contract every year and make a career at Wesleyan. Being need-blind in the admissions process allows us to accept students based upon their academic merit, not their parents' ability to pay. The student experience is enhanced when talented young people, regardless of family income, are a part of our community.

It is truly humbling to think about the generosity of the pioneering families of Wesleyan School from the earliest years in Peachtree Corners. They were so committed to the mission of Wesleyan that they sent their children to school in trailers and ultimately built and paid for what we enjoy today. To honor their legacy and follow the call of Christ, we must continue to push ahead for current and future generations of Wesleyan students.

***This listing does not include alumni unless they are a teacher, board member, or a current parent.*

GEORGIA GOAL

GEORGIA TAX CREDIT SCHOLARSHIP PROGRAM

Financial aid has become increasingly important to Wesleyan. Since 2008, the state of Georgia has allowed for the redirection of state income tax liability to a qualified student scholarship program for the purpose of need-based financial aid. Wesleyan participates with the qualified student scholarship program known as Georgia GOAL.

Through the GOAL program, Wesleyan has provided aid to students whom we might otherwise not have been able to serve, thus furthering Wesleyan's ability to fulfill its Christian mission. We would like to thank Wesleyan parents, grandparents, faculty, and friends for their participation and support. The Georgia GOAL participants are listed for the 2025 tax year.

GEORGIA GOAL FAQs

Q: WHAT IS GEORGIA GOAL?

A: The Georgia GOAL Scholarship Program is an initiative that allows Georgia taxpayers to redirect a portion of their state income taxes to provide need-based financial aid for students attending their choice of private K-12 school. This is an opportunity for you to increase your giving to a place that is special to you and your family without coming out of pocket one additional dollar, as you are redirecting money to Wesleyan that you would already be paying to the state.

Q: HOW DOES GEORGIA GOAL HELP WESLEYAN?

A: GOAL helps Wesleyan continue to provide robust need-based financial aid. The heart of Wesleyan is to be a place that reflects the diverse body of Christ, including socioeconomic diversity.

Q: HOW DOES GEORGIA GOAL IMPACT MY STATE INCOME TAXES?

A: Individuals and businesses can contribute to GOAL and receive a 100% state income tax credit. This is about as efficient of a tax benefit as you can get, as it is a dollar-for-dollar credit (not deduction) on your state of Georgia income tax.

Q: HOW DO I PARTICIPATE?

A: Scan here, and spend less than 60 seconds completing this form.

THE ENDOWMENT FUND

The Endowment Fund

For Wesleyan to be a top-tier institution, endowment becomes a pressing need. Endowments are a pool of funds that continue in perpetuity. A designated portion of the return (currently 4%) provides a stream of income to support financial aid, faculty salaries, and capital maintenance. We currently have ongoing needs to add to our current endowment of nearly \$32.5 million. There are three major components of the Endowment Fund:

Financial Aid

Endowment funds for financial aid allow Wesleyan to help current Wesleyan families in need. In addition, financial aid also provides educational opportunities for students with diverse talents, backgrounds, and interests who will enhance Wesleyan's student body.

Capital Endowment

New buildings have been built, but as they age, they will always require new roofs, new chillers, and major IT improvements. This endowment allows us to enhance these structures.

Faculty Salaries

Wesleyan's commitment is to hire only faculty members who exhibit a personal Christian faith. Every faculty member is expected to lead, teach, and mentor our students by example in the way they conduct their own lives. Endowment for faculty salaries enables the school to attract and retain Christian faculty of the highest caliber.

Legacy Society

Wesleyan, like all independent schools, exists because someone felt a need for the institution. There are only three ways to fund a school such as Wesleyan: tuition, annual giving, and income from endowment.

Currently, our endowment provides less than 1% of the operating budget. Ideally, it needs to provide at least 15%. For Wesleyan to be in the top-tier of schools, we need to dramatically raise our endowment to at least \$50 million. One of the best ways to do this is through Legacy Society gifts of life insurance, charitable trusts, will bequests, or retirement plan assets. From our original group of 15 donors, the Legacy Society has grown to more than 65, including the entire board of trustees. These people are making a permanent gift that outlasts their tenure as parents and, above that, their service to the school.

Particularly in this area, we are grateful for the small and knowledgeable group of volunteers who work with the Office of Development to direct our planned giving efforts.

Bequests

Including Wesleyan School as a beneficiary in one's will provides a meaningful future gift to the school, as well as savings in estate taxes.

Life Insurance Policies

A life insurance policy naming Wesleyan School as owner and beneficiary may provide a substantial future gift to the school. The value of the policy, as well as the annual premium payments, may be tax-deductible and will be treated as annual gifts to the school.

Charitable Trusts

Charitable remainder trusts may provide lifetime income, immediate tax savings, and avoidance of capital gains tax while establishing a major gift for Wesleyan as the trust's ultimate beneficiary.

GIVING TO WESLEYAN

Wesleyan Fund

Since tuition does not cover the full cost of a Wesleyan education, tax-deductible gifts to the Wesleyan Fund fulfill a number of needs. These unrestricted contributions supplement the school's operating budget and provide dollars needed for faculty salaries and financial aid. The entire Wesleyan community is asked to give to the Wesleyan Fund. The Wesleyan Fund begins July 1 and ends June 30, coinciding with our fiscal year.

Capital Campaign

The financial support of this school is dependent upon the support of every family. Capital campaigns exist to fund new buildings, purchase additional land, and **grow** the endowment for the school.

Restricted & Memorial Gifts

These gifts are designated for specific requests for program and extracurricular activities.
