“Proud to be alumni”

From the desk of the editor... Please note: the main focus of the CHS Alumni Assn. is a bi-annual newsletter, and a potluck which we have at 1:00 on the Sunday falling on Homecoming weekend at the high school. This year, unfortunately we have to forgo our potluck owing to the fact we had no one who had the time to work out the details, but hopefully we can get it back in the future. Any person wishing to be an officer is welcome to contact president Cindy Hansen at (269)816-2386 or imagine389@aol.com. Since we had to forgo the potluck, we will assume the current list of officers will continue to serve.

Current school events... Cindy Hansen handles adding names of CHS graduates to the Military Wall at the high school, or look for an application form on the school website. Go to <https://const.org>; it is under “Falcon Nation” at the top of the page. This site also has Falcons in the News, the Hall of Fame info., and Falcon banner registration. *** There is a new Facebook group of alumni at <https://www.facebook.com/groups/83833336926> *** Inductees for the 19th Hall of Fame for 2022 are: Aaron Baker, Andria (Baker) Ettinger, Shawn Griffith-current head football coach, Ben Mallo, Zachary Mallo, Mike McCallie, and the 1922 Men’s Track Team. A dinner is at 6:30 w/social time 5-6:30 on Sat., Oct. 1 in the cafeteria; an induction ceremony is at 7:30 in the LGI room. Dinner tickets are \$25 and should be purchased by Sept. 9 at the CHS athletic office. The LGI ceremony is free. *** We’re sorry for the passing of Bob Brewer; He was a former Marine, and began working for the police department in 1965, eventually becoming police chief in 1970. Bob retired after 32 years of service in 1997, and then served on the village council from 2002-2014.
