The code will be a sequence of 12 letters and numbers EX. XXXX-VMZX-S6RS

Step 2

Go to schoology.com and click the signup tab parent in the upper right hand corner.

Step 3

Enter your parent access code in the space provided.

Step 4

Complete the form providing your name and email/username and desired password.

****Any questions email calbrecht@constps.org****

Step 1

Obtain the parent login code from your student's school office.

The code will be a sequence of 12 letters and numbers EX. XXXX-VMZX-S6RS

Step 2

Download the schoology app from your app store.

Step 3

Go to schoology.com on your phone's web browser and sign up at the website just like shown on the other page.

Step 4

Go to the app and type Constantine into the school bar. And select login through your school. To add additional children select my children, then click the more dropdown, then click add child and add that students code.
