

JMS COMMUNITY PROJECT

COLLECTING SPORTS EQUIPMENT AND NECESSITIES

Hi everyone, our names are Ailie and Haylie and we are in 8th grade at Joe Michell school! Did you know that millions of girls throughout the world are unable to play soccer due to factors outside of their control? As soccer players we don't think that's fair.

For our IB community project we are raising awareness about girls all over the world by collecting new and gently used soccer equipment to help girls in our community play this beautiful game.

We will be hosting an event for girls from all over Tri-Valley can come and take the gear that they need to play the sport they love!

WHAT IS OUR GOAL AND HOW ARE WE GOING TO ACHIEVE IT

HOW YOU CAN HELP

Please consider donating new or gently used soccer equipment. Donations will be collected through January and February. Drop off location: Joe Michell School and Livermore Fusion Office
