

Wish List

Our first semester has been jam packed with hands-on S.T.E.A.M. activities. We are in need of some supplies to continue our creative work. If you have any of these items at home that you no longer need, please consider sending them in with your child to add to our Maker Space. It can be leftover supplies from a celebration, random items in your junk drawer, or dollar store treasures.

Popsicle sticks	Tissue paper
Glue sticks	Tape (any kind)
Hot Glue sticks	Plastic utensils
Disposable cups/plates/bowls	Pipe cleaners
Foil	Clear tubing
Cardboard tubes	Coffee filters
Clay	Tri-fold presentation boards
Playdough	Newspapers
Markers	Paint
Flat cardboard (thinner than 2 pennies so it fits in the Chomp Saw)	
Unique packaging materials
