

Moorpark Unified School District TK/Kindergarten Options 2026-2027 School Year

Transitional Kindergarten (TK)

- TK will be available at all elementary school sites for students born between **September 2, 2021 and September 1, 2022**. In the event that a school site is full for the 2026-27 school year based on enrollment, families will be notified of which school site their student can attend for TK.
- Families can choose to complete a School Choice Application for a school site other than their neighborhood school site for TK. If a student attends their choice school for TK, they will remain at that school through 5th grade, unless they complete a new school choice application and are approved to attend a different school.
- TK is a standards-based, hands-on, developmental instructional program.
- TK school hours will be the same hours as Kindergarten at the school site your student attends.

*Please note: Children whose 5th birthday falls between December 2, 2026 and June 2, 2027 have the option to enroll in **either MUSD preschool or MUSD Transitional Kindergarten**.*

Students born between July 1, 2021 and September 1, 2021 are eligible for TK or K based on parent/guardian preference.

Students born between September 2, 2021 and September 1, 2022 are eligible for TK only as space allows.

Kindergarten (K)

- Kindergarten students must be age 5 by September 1, 2026 (no exceptions).
- Registration for Kindergarten begins on **January 20, 2026** online at www.mrpk.org/enrollment.
- To register you will need the following: birth certificate or passport, immunization records, escrow papers or lease/rental agreement and a current utility bill that shows your service address and mailing address, parent I.D. and dental exam forms.
- A School Choice Application must be submitted if you want your student to attend Kindergarten at a school other than your neighborhood school. Digital applications for school choice will be available at www.mrpk.org/enrollment beginning **January 20, 2026 through February 20, 2026**.
