Dear Direct Investigations Office,

We acknowledge receipt of your correspondence regarding Case Matter No. 2025-0123, which requested a revised response to Corrective Action 1 by January 5, 2026.

Due to staff holiday schedules and the complexity of developing a revised transition plan, we require an extension and will be unable to submit the revised response today.

We are actively working on the required plan and will submit it to your office soon. We appreciate your understanding and look forward to submitting a revised version soon.

Sincerely,
Kerstin
