Your Future. Your Money. Your Choice.

Discover the Power of Personal Finance!

Have you heard...

"Houses are too expensive - you'll never be able to afford one."
"College is out of reach for today's youth."
"Only rich people can invest."

Don't believe the myths!
At Chaparral High School, our *Principles of Personal Finance* program teaches you how to take control of your financial destiny and build lasting wealth. You'll learn that 87% of millionaires are self-made, and more importantly, how to do it!

What You'll Learn:

- **Budgeting:** Learn to master your money - spend smart, save big, and hit your goals.
- **Investing:** Make your money work for you through stocks, real estate, and more.
- **Credit & Loans:** Understand how credit works and how to use it to your advantage.
- **Financial Freedom:** Create a plan to buy your dream car, home, or even retire early!

Why Take This Class?

- Build lifelong money skills every teen needs.
- Practice with real-world financial simulations.
- Learn how to grow your wealth and achieve financial independence.
- Compete in DECA and other business competitions to set yourself apart from the competition in college.

Ready to take control of your future? Don't let others tell you that you can't succeed!
