

Faribault Middle School Site Goals

1 Foster student and staff positivity, safety, and inclusion through:

- Holistic, longitudinal, and academically comprehensive reports of students' achievements, highlighting positive experiences.
- Support and professional development in cultural competency for staff.
- Utilize *Falcons Beyond* programming to address behavioral and relational concerns with students.

2 Reduce the percentage of chronically absent students from 39% to 30% in the 2024–25 school year through:

- Staff professional development focusing on restorative practices.
- A communication/outreach plan for parents around chronic absenteeism.
- A strategy to connect with students/families who are chronically absent.

3 Intentionally support academic outcomes through:

- Incorporation of lessons and activities for each *Falcons Beyond* program that targets at least one academic objective.
- The creation of *Falcons Beyond* programs catered to low-scoring subjects.
- An increased coordination between *Homework Help* and other *Falcons Beyond* programs.
