Power Paws

We are continually looking for ways to strengthen our daily routines and reinforce positive behavior expectations across our school. This year, we kicked things off with an incentive program called Power Paws! This program gives classes opportunities to earn points and rewards for consistently following daily routines and meeting our desired behavior expectations.

Power Paws can be awarded by any staff member—except a class's own teacher—to encourage positive behavior throughout the school.

Paws are handed out each morning, and class leaderboards are displayed so students can track their progress and see what rewards they are close to earning.

We are excited about the positive energy this program is creating and appreciate your continued support as we work together to help our students succeed!

Report Cards

Reports cards went home Wednesday (1/7/26). Please look over it with your child, review for areas of improvement, and praise his/her phenomenal efforts!
