HES/HHS Summer Curriculum Writing Application

Hayfield School Staff Development has made a commitment to providing funding for curriculum writing to teachers who have new courses, new textbooks or who are teaching an existing class for the first time. You have been identified as having a new course, a new book or teaching a class for the first time. As such, you may apply to receive payment for time spent working on curriculum development. You can do the curriculum writing on your own time and at your own pace. Payment will be made after July 1. Curriculum writing stipends are $20.00 per hour. (Approved 11/26/07)

Please select one of the following options:

☐ **New Course - up to 30 hours (15 for semester/quarter course)**

☐ **New Books - up to 10 hours (5 for semester/quarter course)**

☐ **First time teaching an existing course - up to 10 hours (5 for semester/quarter course)**
