

Frontline (HR System) SSO Login

Beginning 12/11/2025, Zionsville Community Schools has changed all their Human Resource systems from PowerSchool to Frontline. With that change, we have implemented single sign-on (SSO) for all Frontline applications. SSO is set up to provide you with a “one stop shop” for accessing Frontline Central, Absence Management (formerly AESOP), and Time & Attendance (to clock in and out). Frontline SSO can be accessed through the Frontline website [HERE](#) or through the Frontline mobile application. Below are instructions on how to login and a brief description of what each Frontline Application is used for.

Frontline Applications

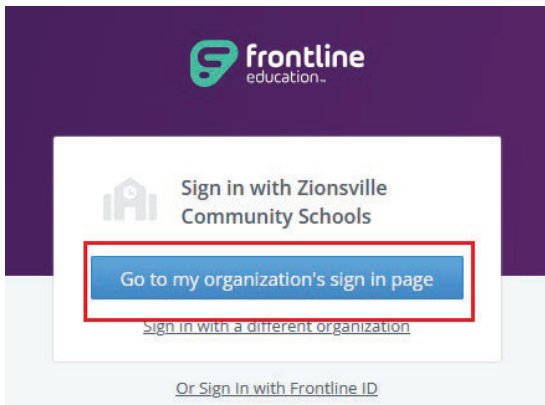

Absence Management (formerly Aesop) – You will access Absence Management through your SSO login and will continue to submit absences to Absence Management just like how you previously did.

Time & Attendance – If you clock in and out for work, this will be your new system. For employees using the time clock kiosk stations, you will login with your 10-digit phone number and the last four of your SSN as your pin.

Frontline Central – This is considered the new “Employee Portal” You will access Frontline Central through your SSO login to complete checklists, forms, and contracts moving forward.

For the online version of Frontline:

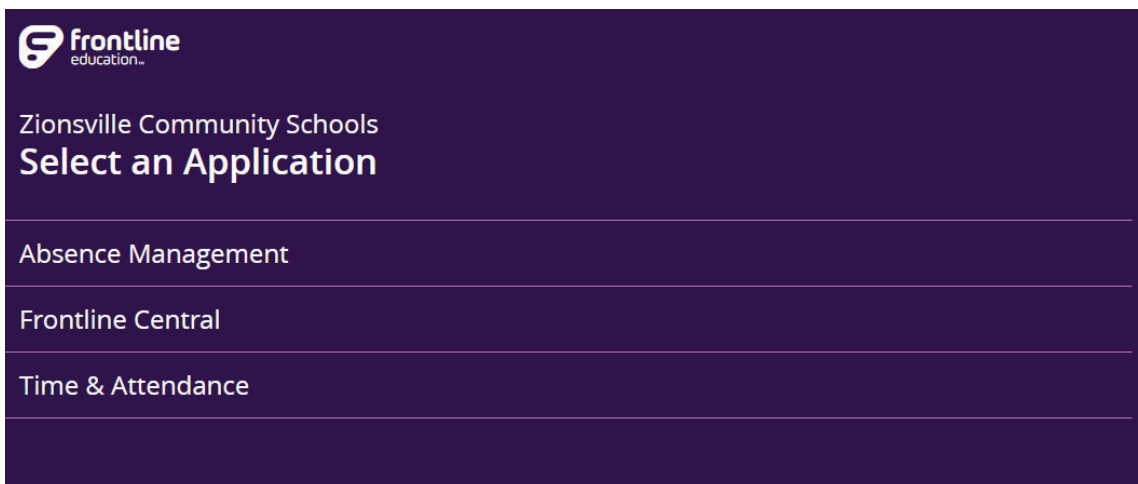

- Use the link above to bring you to the login page
- Click “Go to my organization’s sign in page”

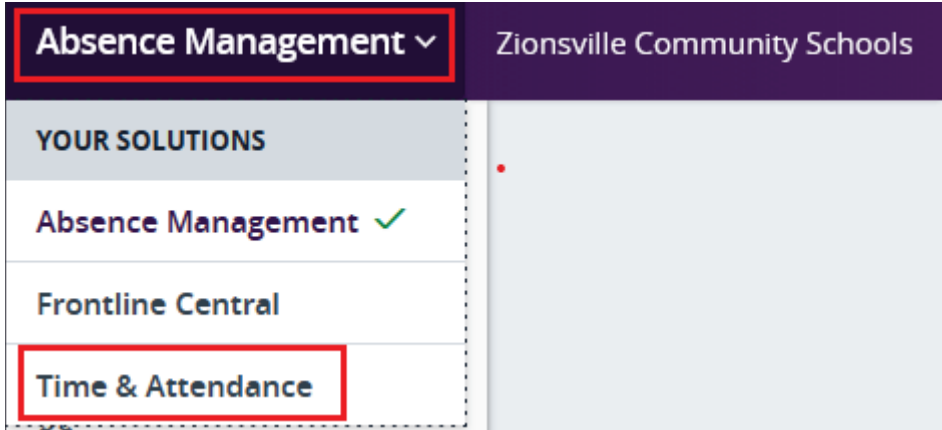

- This will redirect you to a Microsoft login page. Since we are Microsoft district, this is where you will need to enter your ZCS account (i.e.: **jdoue@zcs.k12.in.us**)

- Once logged in, you will see your Frontline dashboard which will show all applications you have access to

- Once you click on an application, you can also toggle between applications from there
- For example, if you need to enter a sick day, click Absence Management from the main dashboard. This will bring you to the absence homepage. From there, you can also navigate to **Time & Attendance** or **Frontline Central** by clicking the dropdown arrow

For the Frontline mobile application:

- To login to the Frontline mobile application, click on “Or Sign in with Organization SSO”
