

OUR VISION

Drug and Alcohol Services of Beaver Valley, Inc, believes in treating the whole person. We will provide exceptional behavioral health services built upon our values and commitment to serving the individual.

Drug and Alcohol Services of Beaver Valley, Inc, defines recovery as a self determined and holistic journey that people undertake to heal and grow. Recovery is facilitated by relationship and environments that provide individuals hope, empowerment, choices and opportunities that promote people reaching their full potential as individuals and community members.

We are willing to accept clients who are early in their recovery journey, as well as those who are in need of relapse prevention assistance.

It is a beautiful day to be

Admission Procedure

Individuals seeking help, or referrals from other agencies and providers are directed to contact DASBV at 724-777-2498. Screening will be completed, and the individual will be assigned to the appropriate level of care.

At any time during the treatment process, we can assist clients in transitioning to a more appropriate level of care if the need arises.

DASBV is a voluntary treatment program for all clients. At the time of admission, clients will be required to sign a consent for treatment.

During the admission process all clients will be informed of the criteria for completion and discharge.
