

Parent Portal Registration Tips

Browser Recommendation: Google Chrome or Firefox.

Returning Students

1. Log in to your existing student's account
2. On top, Right-click on the PERSON ICON
3. Drop down>click MY ACCOUNT
4. Under STUDENTS, click ENROLL A NEW STUDENT

Note: Don't click the Add Student button on the left menu; that requires the portal ID, which you will receive at a later date.

New Students (FOR ALL FIRST-TIME STUDENTS NEW TO POTH ISD)

1. GO TO [POTH ISD WEBSITE](#)
2. From the **Quicklinks** menu, select **Ascender Parent Portal**
3. Select **Create Account** on the Ascender Parent Portal login page.

Note: Once POTH ISD processes registration, you will be contacted, and you will receive a PARENT PORTAL ID Letter from the front office with an ID Code, and then you will be able to link all your students together on the same page.

Questions?

Please contact your child's [campus](#) for registration questions.
