

MIFFLINBURG ELEMENTARY SCHOOL

2026-2027 Kindergarten Registration Health Information

ATTENTION PARENTS/GUARDIANS:

Students entering kindergarten for the 2026-2027 school year are **required** to provide the following health documents with their registration paperwork:

- Immunization records
- Physical examination
- Dental examination
- Health history form (2 pages, front and back)

Please choose one of the following to submit the above listed health paperwork: email to the school nurse (ccresswell@mifflinburg.org) and central registration (tbollinger@mifflinburg.org), upload to Synergy Parent VUE, fax to (570) 966-8339 "Attention: School Nurse", OR drop off at the administrative office (178 Maple St., Mifflinburg, PA).

The registration paperwork includes the physical and dental examination forms to be completed by your child's physician and dentist. A printed copy of the examinations from the doctor/dentist is fine as well. Any dental or physical examination completed on or after July 1st, 2025, will be accepted.

Please review your child's immunization record prior to submitting and ensure that your child is up to date with current immunization regulations for school entrance. The present Department of Health immunization requirements are as follows for entrance into kindergarten:

- 4 doses of DTaP or DTP (1 dose on or after the 4th birthday)
- 4 doses of IPV or POLIO (4th dose on or after 4th birthday)
- 3 doses of Hep B (3rd dose on or after age 6 months)
- 2 doses of MMR (1st dose on or after age 12 months)
- 2 doses of varicella (chicken pox) or evidence of immunity (1st dose on or after age 12 months)

Immunization records **MUST be submitted at the time of registration. If additional vaccines are required for admittance into kindergarten, parents will be notified, and any further vaccination documentation will need to be returned to the school by August 1st, 2026.

Please call the school nurse with any questions or concerns.

Thank you,

Caitlin Cresswell, M.Ed., BSN, RN, CSN
