CCP - NEXT STEPS

1. Determine Eligibility
   a. If you do not have a 3.0 unweighted GPA, students can take the Accuplacer in the Spring (usually April) at West M. This Accuplacer is given by Zane State and may not qualify students for other college admittance (OUZ, OSU, etc.). If you are attending another school besides Zane State, we suggest scheduling the Accuplacer with the college you are wanting to attend.

2. Attend CCP Info Night on January 20, 2026 **OR** schedule 1 on 1 advising appointment with your counselor by April 1st, 2026.
   a. Fill out the Counseling Session Form and turn in at the CCP Info Night (if you were in attendance for the meeting that evening). OR
   b. Fill out the Counseling Session Form and turn in at your 1 on 1 meeting with your school counselor at your advising appointment (if you did not attend the CCP Info Night).

3. Turn in Letter of Intent Form (BRIGHT GREEN form) by **April 1, 2026** to your school counselor.
   a. Forms are available on the school website, and high school student's Google Classrooms. They are also available in PDF format in the high school counseling office.

4. Decide where to apply and apply as a "CCP Student". You should not pay to apply as a CCP student at any university so if it is asking you for payment, you are in the wrong application.
   a. If you are taking CCP English with Mrs. Shawger - apply to Hocking College
   b. If you are taking CCP Math with Mr. Ketcham - apply to Hocking College

5. Notify your school counselor (Mr. Crowley or Mrs. Schmieder) where to send your transcript by **May 1st.**

6. Schedule an advising appointment to schedule your classes with a representative **at the college or university where you have been accepted** (remember high school requirements must be met and must fit into your college schedule).

7. Before you leave for summer, communicate with your high school counselor where you have been accepted and if you plan to still participate in CCP. Student is responsible for emailing his/her college schedule to his/her high school counselor over the summer.

8. *Students assume all responsibility* to check West Muskingum email/Google Classroom for all updates on how to order textbooks and stay current on West Muskingum news.
