REGISTRATION INFORMATION

For the 2026-2027 School Year

Full Day | State Funded | Pre-K Program

The HCS Pre-K program is an age-appropriate instructional program that prepares students for a successful transition to kindergarten and beyond.

Program Requirements:

Child must turn four years old by September 1, 2026.

Selection Process

Pre-K seats are filled by a random selection process. By completing the lottery application, there is no guarantee your child will be selected for a seat. Children residing in the school's attendance zone will have priority.

You will be notified via email if your child is selected for the pre-kindergarten program. If selected, there will be a limited amount of time to accept or decline the seat after which your child will be removed from the roster.
