

Adult & Community Education, Columbus City Schools
Practical Nursing
Curriculum or Instructional Plan
Council on Occupational Education, Standard 2

Objective

To provide and utilize a plan for Practical Nursing curriculum or instructional practices.

Purpose

This plan will help ensure that Adult & Community, Columbus City Schools implements curriculum or instruction intentionally and appropriately for students enrolled in the Practical Nursing program.

Council on Occupational Education

The plan meets criteria for COE Standard 2, Area A, Objective 1: *To verify that the educational programs offered by the institution align with the mission of the institution, have clearly stated objectives, and have content that remains current and meets the needs of constituents.*

Implementation of the Practical Nursing Curriculum or Instructional Plan

The Health Occupations Administrator and faculty are responsible for implementation of the Practical Nursing Curriculum or Instructional Plan.

Strategies used to Facilitate Instruction and Laboratory Practice

The Practical Nursing Student Handbook and course syllabi describe the occupational skills and academic competencies essential to success in the occupation, including job knowledge, work habits, and attitudes. Classroom instruction in the classroom, lab, and clinical placements is aligned with course objectives and provides students with opportunities to practice skills with equipment and materials similar to those currently used in the occupation.

Job-related Health and Safety Practices

Practical Nursing job-related health and safety practices are an integral part of instruction and are appropriately incorporated into the curriculum in both laboratory and clinical placements.

Technology

Orientation to classroom technology is provided by faculty, and technical support is available to students via the district's IT Help Desk.

Annual Plan Evaluation

The Practical Nursing Curriculum or Instructional Plan is reviewed annually by the Health Occupations Administrator and faculty and revised as necessary.
