Students Are Encouraged to Choose the Following...

- **MPC Dual Enrollment class** - We have a class reserved for Dual Enrollment students. We teach **MPC English 1A** here online as a shadow class with Buran. Students may also take an online or in person class after school. Second semester we reserve a class period so students can receive help on an MPC or other Community College course at school.
- **Work Experience Education (WEE)** - 20 hours a week for 15 weeks approximately. Students can earn elective credits each quarter.

Individual Learning Plans (ILP)- All Students

- Drives student educational experience here at CVHS
- Students will create ILP with our help
- Academic requirements including credits to be recovered
- Personal Goal, (exercise, nutrition, community, mental health) and how they will achieve them
- Created the first few weeks of school in small groups
- In mid September, Parents and Staff will meet and student will present their ILP to the team
- In December and May each student will present an Exhibition.

It is important for CVHS students to be reflective regarding their educational experience. All students will do presentations.

If you would like to attend CVHS we will hold an **Intake Meeting** with Staff prior to your first day of school. We will set your schedule at this time.
