FUTURE GRADUATIONS

Please help us plan future graduation ceremonies. We are committed to celebrating our graduates in a way that is both memorable and comfortable for students and their families. One option being considered for the Class of 2027 and beyond is moving our ceremonies to an indoor, climate-controlled venue at Ramapo College of New Jersey. Your feedback is a vital part of this discovery process. Before any final decisions are made, we want to ensure we understand your perspective. Please note that this is an updated survey; we encourage all community members to respond, even if you have shared your thoughts previously. Responses to this survey represent one data point and will be considered alongside additional information as part of a broader review process. Please complete the survey here: [Graduation Venue Questionnaire](#) and submit by January 19. Thank you for your participation.
