

Eighth Grade Registration Form

2026-2027 School Year

Osseo Middle School

Welcome to the 2026-2027 course registration process at Osseo Middle School! We look forward to helping your student register for the 2026-2027 school year. Registration is very important as we hire staff based on elective choices made by students and families during the registration process.

As an 8th grade student at Osseo Middle School, your student will be required to take the following courses: English/Language Arts, Math (Linear Algebra, Nonlinear Algebra, or Geometry), Physical Science, Global Studies, Advisory, Physical Education, and two Fine Arts courses. If you have questions about and/or would like to learn more about our courses, please view the Middle School Registration Guide on our [website](#).

AVID (Advancement Via Individual Determination) is a course for students to develop organizational, note-taking, and self-advocacy skills. It is also a college preparatory program that accelerates learning for all with rigorous, relevant instruction. The AVID curriculum focuses on writing, inquiry, collaboration, and reading. If your student may be interested in AVID, please contact the counseling office.

Unified Advisory is a course that combines students with and without disabilities. It provides a welcoming environment for all students to empower them to reach their full potential while also fostering an inclusive and accepting school environment. If your student is interested in participating in Unified Advisory for the 2026-2027 school year, please contact the counseling office.

Please review and choose ONE of the four registration options on the back of this form. Your student will register for their 2026-2027 courses at school during their Science class on Wednesday, January 21st. Students and families should review registration information, complete the registration form together at home (including parent/guardian signature), and have your student bring the completed form to school on their registration day.

Below are some examples of 8th grade student schedules. If you have any questions, please contact:

- Meghan Brawford & Jenna Johnson, School Counselors
- Brian Chance, Principal & Jan Bitzer, Assistant Principal
