

EVENT NOTICE – Friday, January 9, 2026
Fargo Public School District #1

The following information is for media outlets for the purpose of assigning staff coverage to the event.

ED CLAPP ELEMENTARY SCHOOL HOSTING STEMZONE FAMILY NIGHT

Ed Clapp Elementary School is getting its students excited about science, technology, engineering, and math with a night filled with fun and exciting STEM activities.

- WHAT:** Ed Clapp STEMZone Family Night
WHEN: **Tuesday, January 13** from 5:30 p.m. to 7 p.m.
WHERE: Ed Clapp Elementary School, 3131 28th Street South, Fargo
CONTACT: **Jennifer Schuldheisz**, Ed Clapp principal, schuldj@fargo.k12.nd.us or 701.446.2904 for more information.

Ed Clapp Elementary School students will enjoy high-energy learning experiences in science, technology, engineering, and math at the STEMZone Family Night on Tuesday.

Ed Clapp is partnering on the event with STEMZone for the Gateway to Science on the Go event. The event features 10 carnival booth-style activity stations with a variety of STEM games and activities, including working on circuits, doing brain teasers, looking at objects through a microscope, and cooperating to build structures. There will also be door prizes and a meal provided.

Staff volunteers will be joined by South High School student volunteers to help oversee each activity station.

The goal of the STEMZone event is to get students excited about the STEM fields and help them build skills in creativity, teamwork, collaboration, and communication. Students will gain exposure to potential future career paths they may not have considered.
