Informational and Discussion Items:

1. Discussion Item: Principal's Update

- Basketball court project is complete. The type of materials are very low maintenance and should last for 20+ years. Looking into making the rest of the area improved. Also thinking about a 3 on 3 basketball tournament. The project has to be approved before we can begin raising money or looking at budget funds.
- The shade structure has been installed.
- CCRPI metrics scheduled to be released today – really exciting news.
- Reviewed the results from the student survey. As the year goes on we will continue to add additional metrics.

2. Discussion Item: Parent/Staff Satisfaction

- Parents expressed frustration with carpool in the morning and afternoon.
- Parents expressed wanting to know what changes in the transition from elementary to middle that parents need to know to support kids – example: how does homework
