Please refer to the information below. As a reminder, the requested amount exceeds the \$10,000 threshold requiring full board approval by only \$500. This context is important, as the amount is not excessive when weighed against the additional factors outlined below.

I made a mistake in the number I needed. The board did approve a budget amount that I did not meet. (I was under by almost \$40k). I only ordered 45. I need 60, therefore needing to order 15 more. The quote is \$10,500. I am asking for an email vote so that I can order those tomorrow if possible.
