Principal Corner

We kindly ask Holbrook Public School parents and guardians to **please refrain from using the St. Joseph's parking lot at any time**. This space is reserved for another school's students and staff. Thank you for your understanding and cooperation as we work together to keep our community running smoothly.

Students will be starting Unit 3 of the Second Step Curriculum which focuses on Empathy and Kindness. Students will learn core competencies in the areas of self-awareness, social awareness, and relationship skills.

You'll receive monthly communications from me to help you reinforce Second Step language, skills, and goals at home. If you have any questions about Second Step Elementary, please don't hesitate to contact me or your child's teacher for more information. Thank you for your support as we work to build a safe and supportive school community. Below are the Home Links for Unit 3 which outline the unit themes, the importance of the skills students will be working on, and practice ideas for home.

JFK Electronic Device Policy Reminder

Cell phones, smartwatches, and personal audio and visual equipment, may not be used during school hours (8:30-3:00). Students using these

items during the school day are subject to school discipline and the items may be confiscated. Please see the JFK Student Handbook for further information.

Police Rides to School

If you're around during morning drop-off or afternoon dismissal, keep an eye out these upcoming weeks for some of our amazing students - like **Jessica L.** - arriving to or leaving school with our School Resource Officer, Officer Occhipinti! These students earned a special police ride to school through our PBIS Pawsitive Praise incentive program, celebrating their positive choices and outstanding behavior. We love finding fun ways to recognize our students for being their best selves!

School Cancellation & Delays

Any school delays or cancellations will be communicated via a phone call from the Superintendent, electronic newsletter, Facebook, and will also be posted on local television stations. Please refer to one of these resources if there are any questions.

As a reminder, in the event of a 1 hour delay:

- Champions will always run a normal schedule, unless otherwise communicated.
- JFK buses will begin their run an hour later, starting their route at 9:00. If there is inclement weather, there could be a possibility of minor delays.
- JFK doors open at 9:30. Students will not have access into the building prior to that time.

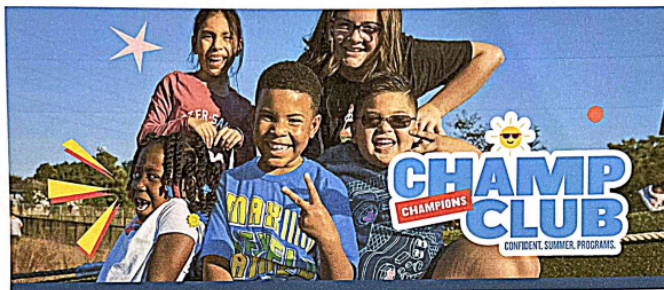

In the event of a 2 hour delay:

- Champions will always run a normal schedule, unless otherwise communicated.
 - JFK buses will begin their run two hours later, starting their route at 10:00. If there is inclement weather, there could be a possibility of minor delays.
 - JFK doors open at 10:30. Students will not have access into the building prior to that time.
