5th Grade Teams

All 5th graders are on an interdisciplinary team to help facilitate a smooth transition from elementary school.

A vibrant, stylized illustration of school supplies. In the center is a large green spiral-bound notebook with a yellow circle on its cover. To its left is a yellow ruler with circular cutouts and a yellow pencil sharpener. Below the sharpener is a yellow notepad with a green flower. To the right of the notebook is a yellow paper with a grid pattern containing text. In the top right corner is a yellow and green pen. The background consists of green and yellow geometric shapes.
