

All-Girls Middle School Scholars Leadership Program

An overnight weekend of learning for 6th & 7th grade girls in Monterey, CA

April 24-26, 2026

Program Details

- Students will stay on campus in student dormitories with another scholar roommate
- Girls will learn from expert faculty, participate in experiential learning, and attend the spring musical
- Scholars will be accepted through an application process for this **tuition-free program**

Scholars are

- Curious, passionate, caring, kind, and eager to learn and lead
- Eager to explore, discover, and deepen their leadership and communication skills to solve real world problems
- Ready for a three-day, in-residence program with other 6th and 7th grade girls

Scholars will

- Create connections with student leaders across the country
- Identify personal leadership strengths and improve communication and collaboration skills
- Explore Santa Catalina School's signature programs of Marine Ecology, Engineering, and Musical Theatre

December 1, 2025 - Online applications open
January 31, 2026 - Applications due
February 13, 2026 - Selected Scholars Announced

A detailed schedule will be provided upon acceptance.
The first 50 applicants receive a discount for summer camp.
