

GRADE 4

newsletter

WEEKLY OVERVIEW

Happy New Year! 4th Grade has had a fantastic week getting adjusted to the new year. They are working on new goals as they prepare for the second semester

MATH

We are working on adding fractions, mixed numbers, and problem solving.

LANGUAGE ARTS

We are working on Module 2 Wit and Wisdom (Extreme Settings), Morphology (Uni), and vocabulary.

SS/SCIENCE

4th Grade is currently work on The American Revolution.

REMINDERS

- Students are having weekly Vocabulary and Morphology Assessments.
