### Message from Mrs. Cherence, Principal

Last week, our students settled back into school routines after winter break and jumped right back into learning! Our third graders have been busy strengthening their multiplication skills, while our Pre-K students have been exploring the important roles of doctors and nurses, learning about heartbeats, checking eyes, and engaging in hands-on, imaginative play. Our kindergartners have been hard at work writing complete sentences, focusing on beginning, middle, and ending sounds in words.

As a reminder, please be sure to send your child to school each day with a water bottle and a light, healthy snack.

Don't forget about our Jersey Mike's Fundraiser happening this Monday, Tuesday, and Wednesday! Your child will be bringing home a Jersey Mike's card, when you present the card and donate \$3.00 to Cliffwood School, you'll receive a FREE regular sub. We hope to see you there!

Finally, congratulations to all of our Cliffwood Lions who earned **Perfect Attendance for Marking Period 1!** These students will be recognized at the next **Board of Education meeting on Monday, January 26th**. We are so Cliffwood Proud of you!

### PAWS Winners

### 3rd Graders Scooping Up Multiplication Facts

Mrs. Royston's class is scooping up multiplication facts! Students are mastering their facts by taking timed tests and earning parts of an ice cream sundae along the way. Complete all tests = an invitation to a real ice cream party! Hard work, motivation, and lots of math magic happening in this classroom!

## Jersey Mike's Fundraiser

### Jersey Mike's Fundraiser – This Monday, Tuesday, and Wednesday!

After a busy day of running to basketball practice, dance lessons, and activities, there's no need to worry about making dinner! Stop by **Jersey Mike's in Cliffwood** and enjoy an easy (and delicious) meal while supporting **Cliffwood School**.

Tomorrow, your child will be coming home with a **Jersey Mike's fundraiser card**. When you present the card and donate **\$3.00** to Cliffwood School, you'll receive a **FREE regular sub!**

Save yourself the hassle of cooking, support our school, and enjoy a great meal. We look forward to seeing you at Jersey Mike's!

## Perfect Attendance Marking Period 1

Congratulations to our students who earned **Perfect Attendance for Marking Period 1!** We are so proud of your commitment to being at school every day. Regular attendance plays an important role in academic success, social-emotional learning, and building strong habits, like being on time, that set students up for success now and in the future.

We truly could not do this without the support of our families. Strong family–school partnerships make a meaningful difference in helping students develop positive routines and a love of learning. These students received a letter home recognizing their achievement and have been invited to the next **Board of Education meeting on Monday, January 26th at 7:00 PM at Cliffwood School**, where they will be recognized for their perfect attendance. We are Cliffwood Proud!

## Message from Ms. Racioppi, School Physical Therapist

Thank you to **Ms. Racioppi, our School Physical Therapist**, for sharing a fun indoor activity families can enjoy with their child when the weather is too cold to head outside! Activities like these help support building strength, coordination, and movement skills in a playful way. We hope you enjoy trying this activity at home!

## WINTER FUN WITH DR. RACIOPPI

Keep your child active even when the weather gets too cold to head outside!!!

### SUPPLIES NEEDED:

3 BOXES DECORATED LIKE A SNOWMAN, SOCK BALLS, TAPE

### ACTIVITY:

Indoor fun is sure to be had by aiming sock balls at a snowman!! Have your child color their own or paste a printed-out snowman onto three boxes as pictured.

Your child 'builds' their snowman by stacking the blocks on top of each other.

Have your child stand an appropriate distance from the target, marked by a piece of tape. With feet shoulder distance apart, have your child squat to the floor to pick up one sock ball at a time. Using an overhand throw, enjoy throwing to knock over the snowman.

Make it fun and keep track of how many throws it takes to knock him over. If you have more than one child you can have them take turns. Make it more challenging or easier by changing the distance they are standing away from the target.

## MARSD-Redistricting Scenarios

Below please find the correspondence sent out this past Thursday from Mrs. Perez, Superintendent of Schools, regarding redistricting scenarios. We want your feedback, both positive and constructive, which you can provide in several ways.

- If you have a comment about the map, the school zones, or the scenario, you can use the COMMENT feature located on the upper right corner of the map.
- If you have a technical question about using the map, you can email [info@citygategis.com](mailto:info@citygategis.com).
- If you have general comments or questions, you can email [redistrict@marsd.org](mailto:redistrict@marsd.org) or complete the district's community feedback form.

Dear Staff, Families, and Community Members:

Happy New Year! Wishing you all the best in 2026!

We would like to thank you for your ongoing feedback as we continue [Shaping Our District's Future - Matawan Aberdeen Regional School District](#). The purpose for embarking on this redistricting is to ensure balanced enrollment, equitable access to programs, and efficient use of space district-wide. And we are always reinforcing our district goals to foster a safe and equitable learning environment that celebrates our diverse learners, and provides the necessary resources and supports to prioritize the social-emotional and academic development of all students.

Following our recent community forum, our consultant has used your feedback and extensive research to develop a redistricting scenario that serves our present and future students. We are now pleased to invite you to view the proposed map by clicking on [this link: My Districting MARS D](#). This map gives you the ability to see the proposed redistricting areas as well as the opportunity to comment on the scenarios.

We want your feedback, both positive and constructive, which you can provide in several ways.

- If you have a comment about the map, the school zones, or the scenario, you can use the **COMMENT** feature located on the upper right corner of the map.
- If you have a technical question about using the map, you can email [info@citygategis.com](mailto:info@citygategis.com).
- If you have general comments or questions, you can email [redistrict@marsd.org](mailto:redistrict@marsd.org) or complete the district's [community feedback form](#).

It is important to note that the proposed scenario includes a change in grade level configuration as follows:

Cliffwood Elementary School	Pre-Kindergarten to Grade 5
Ravine Elementary School	Pre-Kindergarten to Grade 5
Strathmore Elementary School	Pre-Kindergarten to Grade 5

## BUILDING CONNECTIONS

The benefits of this specific scenario include:

- Balancing enrollment in our schools

- Minimizing transitions
- Addressing any equity gaps

As the community shares its feedback, the Administrative Team will be analyzing and reviewing several key factors, which may include:

- Preparing for grade-level transitions
- Maximizing the needs of specific programs and services across buildings
- Revising busing and walking routes, including the review of the District transportation policy
- Adjusting school hours

We appreciate your participation in this important process and look forward to your insights.

Be well,

## Information about Excused/Unexcused Absences

# Attendance Matters

Every student. Every day.

**The New Jersey Department of Education recognizes only six allowable reasons for an "excused" absence;** these reasons are listed below.

1. Religious holidays (Each year, the State Board of Education votes on a list of approved religious holidays for observance upon the written request signed by the parent.).
2. Participation in observance of Veterans Day.
3. Participation in district board of election membership activities.
4. Take Our Children to Work Day.
5. College visit(s), up to three days per school year for students in grades 11 and 12.
6. Closure of a busing school district that prevents a student from having transportation to the receiving school.

Being present and on-time to school each day is extremely important for students' success and well-being. School attendance is a powerful predictor of student outcomes; data shows that, when students are present daily, they learn better and are generally healthier. **Attendance matters and every school day counts!**
