Attendance Matters!!!

Student Attendance Guidelines

Daily attendance is essential for the academic success and personal development of high school students. Consistent participation enhances understanding of the curriculum, fosters a sense of community, and develops important skills such as punctuality and responsibility.

Students who attend classes regularly are more likely to complete assignments, perform better academically, and build positive relationships with educators. These connections provide valuable support as students navigate their high school experience. Prioritizing daily attendance is crucial for ensuring that every student has the opportunity to thrive and succeed in their educational journey.

MRHS Attendance Policy

To receive full credit for a high school course, a student is limited to **18 total absences** for full year courses and **9 total absences** for half year/semester based courses.

Excused Absences Include...

- Religious observance ([N.J.A.C. 6A:32-8.3\(h\)](#))
- College visits (up to 3 days per school year for students in grades 11 and 12)
- "Take Our Children to Work Day"

- Participation in observance of Veterans Day (N.J.S.A. 18A: 36-13.2)
- The closure of a busing district that prevents a student from having transportation to the school
- Participation in district board of election membership activities.

When to Keep your Child Home From School...

- A child with heavy cold symptoms, deep or uncontrollable coughing or significant lack of energy.
- If your child has a fever, keep them home for at least 24 hours after the fever is gone without the use of fever-reducing medicines.
- If your child has pain in their ears, throat, head or chest and can not comfortably participate in school activities.
- If your child is vomiting or has diarrhea, they must have neither for 24 hours before they can return to school.
