NWEA TESTING: Monday, January 26th and Wednesday, January 28th

We appreciate your help in avoiding scheduling appointments during testing. Students will take the Math NWEA test on Monday and Reading on Wednesday.

Don't Forget Snacks!

A quick reminder that students are welcome to bring a snack from home to enjoy during our snack break. While we provide free breakfast and lunch at school, having a snack available helps keep energy levels up throughout the day.

This is also a great opportunity for students to practice taking responsibility at home by packing their own snack each evening or morning. Simple items like fruit, crackers, granola bars, or veggies work well.

DO YOU ASK YOURSELF ANY OF THESE QUESTIONS?

- How are phones and screens affecting kids' emotions and well-being?
- What worries me most about the amount of screen time kids have?
- Are kids today getting enough time to play outdoors and explore freely?
- Which screen-time rules or routines actually work well in our home?
- How can families create a sense of calm, safety, and connection for kids?
- What can we do to help kids spend more time with friends in real-life settings?
- What do I want to learn about supporting kids and reducing their anxiety?
