Welcome to 2026!!!

Winter "Traditional" Snow Days Reminder

Now that SPS has used two (2) "traditional" snow days, there is one (1) available "traditional" day left on the school calendar for weather-related closures.

If more than one more day is needed due to inclement weather, any subsequent days beyond that will be remote learning days. On remote learning days, students will stay home and are expected to complete academic assignments asynchronously. Remote learning days will not need to be added to the calendar at the end of the year. There is a [dedicated page](#) on our school website that more fully describes weather-related closures.

Food Service Plans for Remote Learning Days -

Meals will be provided during remote learning snow days. Non-perishable meals will be sent home in advance with all students for whom a meal has been requested. [Please fill out this form](#) to have your child's name added to the list of kids receiving a meal. If you have multiple children, please fill out the form for each child individually. After each remote learning snow day, we will send home another non-perishable meal for possible future remote learning days. You do not need to resubmit on the form again for each remote learning snow day. Once you are on the list you are on it for the winter, if you would like to be removed from the list, please contact your school.

From the Scarborough Board of Education

We want to hear from you!

The School Board is conducting a short survey to better understand what *topics matter most* to our community and what conversations you'd like to take part in through future **community roundtable discussions**.

We're also hoping to learn:

- How you prefer to engage with the School Board
- What barriers may be making it harder for you to participate

Your input will help guide more meaningful, inclusive conversations and ensure we're creating opportunities that work for our community.

Please take a few minutes to share your thoughts by completing the survey:
