A LITTLE ABOUT ME

I earned my Bachelor's Degree in Psychology from Indiana University in 2001 and my Master's Degree in Education and School Counseling from Indiana University in 2007. I've been a School Counselor for 17 years and have experience at elementary, middle and high school. Working at the elementary level is my favorite because I love watching the kids grow and learn! I have been the School Counselor at Riverside since February 2021. I've been married for 22 years and have a 20 year old son and 18 year old daughter. I'm looking forward to another amazing year at Riverside Elementary! Go Falcons!
