Honors classes are offered in Language Arts, Math, World Geography, and Science. These courses are designed to be challenging, and the curriculum is covered at a very rapid pace. Outside research, projects, readings, and homework are essential to a student's success in these classes. Additional requirements may be assigned during the summer or holidays. Students must maintain passing grade averages to remain in these courses. *All Gifted/Talented identified students will be scheduled into GT Language Arts and Math unless otherwise requested by the parents.*
