EQUAL EDUCATIONAL OPPORTUNITIES

In recognition of the diversified characteristics and needs of our students and with the keen desire to be responsive to them, the School Committee will make every effort to protect the dignity of the students as individuals. It also will offer careful consideration and sympathetic understanding of their personal feelings, particularly with reference to their race, color, sex, gender identity, religion, national origin, sexual orientation, homeless status, physical and intellectual differences, pregnancy or pregnancy related condition.

To accomplish this, the Committee and its staff will make every effort to comply with the letter and the spirit of the Massachusetts equal educational opportunities law which prohibits discrimination in public school admissions and programs.

This will mean that every student will be given equal opportunity in school admission, admissions to courses, course content, support services, and extracurricular and athletic activities.

All implementing provisions issued by the Board of Elementary and Secondary Education in compliance with this law will be followed.
