STUDENT PHOTOGRAPHS

Individual schools may arrange, in cooperation with the school's parent organization, student council, designated student committee, or a staff committee, to take individual student and/or class group pictures. Where appropriate, awarding of the photographic services shall be conducted through bidding procedures.

Individual and/or class group pictures may be taken at the school facility and during the regular school day hours. The pictures shall be made available for purchase by students and/or parents on a voluntary basis. The building Principal or his/her designee shall have final authority in authorizing the picture taking program and will be responsible for overseeing the process.

Students may be required to have an individual picture taken for the cumulative file or identification purposes; however, no student shall be pressured or required to purchase photographs.

The purpose of the policy is to:

Enhance the safety of students through visual identification in an emergency situation.

Facilitate the social, educational, and administrative activities conducted in the school.

Provide a service to parents and students.

Allow the profits gained from the picture-taking program to be used by the sponsoring group and authorized by the building Principal.
