Limited Benefit Group Critical Illness Insurance Policy

American Fidelity Assurance Company

Surviving a critical illness, such as a heart attack or stroke, can come at a high price. With advances in technology to treat these diseases, the cost of treatment rises more and more every year. Even with major medical insurance, the out-of-pocket expenses associated with a critical illness can affect anyone's finances.

American Fidelity Assurance Company's Limited Benefit Critical Illness Insurance can be the solution that helps you and your family focus on recovery, and may help you with paying bills. Our plan can assist with the expenses that may not be covered by major medical insurance. You may also have the option to add an infectious disease rider to this policy in select states.

How the Plan Works

If you are diagnosed with a covered Critical Illness, such as a heart attack or stroke, this plan is designed to pay a lump sum benefit amount to help cover expenses. Also, this plan offers a Recurrent Diagnosis Benefit for certain specified Critical Illnesses that provides an additional 50% of the Critical Illness benefit amount after the second occurrence date. Covered Critical Illness events include Heart Attack, Permanent Damage Due to a Stroke, and Major Organ Failure.
