Comprehensive Needs Assessment

Needs Assessment Overview

Needs Assessment Overview Summary

Heath has a tradition of excellence. We work to inspire, empower, and equip our students to achieve excellence. Our motto is "Love the Kid, Drive the Rigor." During this year we will have three areas of focus: Academic Excellence, Safety & Civility, and a Culture of Collaboration and Community. We are committed to maintaining a positive campus culture by celebrating success, and by providing ongoing leadership opportunities for students and staff. We are committed to systematic communication that provides multiple opportunities for our stakeholders to participate as partners.

At this time, our campus has the following needs:

Continue to focus on maximizing student achievement by developing Teacher Collective Efficacy through a structured PLC process and frequent, timely feedback of instructional practices.

Ensure all students are College, Career, and/or Military Ready before graduation.

Increase minority participation in advanced coursework including AP, Dual Credit and IB programs.

Increase successful college credit attainment through AP, Dual Credit and the IB Diploma Programme.

Increase quantity and quality of support for the growing population of EB and Special Programs (Special Education and 504) students.

Increase performance in all EOC tested areas by focusing on the Fundamental 5*.

**The Fundamental 5: The Formula for Quality Instruction, a book by Sean Cain and Mike Laird, describes five critical practices, based on research, that result in highly effective teaching. The five fundamental practices include: framing the lesson, working in the power zone, frequent small group purposeful talk, recognize and reinforce, plus writing critically.*

- Indicates there are no students in the group.

* Indicates results are masked due to small numbers to protect student confidentiality.

? Indicates that the data for this item were statistically improbable or were reported outside a reasonable range.

‡ Beginning with 2022-23 graduates, special education students that graduated with the advanced diploma are classified as college ready. As a result, only one year of data is shown because previous years' data is not comparable.
