PLEASE NOTE THAT ALL RESERVED SEATING WILL BE ENFORCED.

WHY YOUR FINANCIAL SUPPORT IS IMPORTANT

Florence High School competes in the 7A classification among Alabama High School Athletic Association institutions. This represents the schools with the largest enrollments in our state. Our sports programs compete on 7th, 8th, 9th, JV and Varsity levels.

The cost of providing multiple squads with uniforms, equipment and being represented first class is significant. School monies can only cover some of these costs. External monies are vital to our young men and women achieving success. Our athletic booster clubs provide financial support for all sports programs (7th-12th), including: football, basketball, volleyball, baseball, softball, swimming, tennis, cross-country, cheerleading, golf, track, soccer, swimming, and wrestling.

This year we are giving you the opportunity to make a one time purchase to support the Falcon's spring sports. We are offering special packages for baseball, softball and soccer, as well as banners, advertisements and donation boxes for track, golf, and tennis.

Your contribution will help provide our athletic programs with the support they need to successfully compete against the largest schools in the state. You will also be helping these athletes to reach their potential and represent their school, city and community to the best of their ability. We thank you in advance for your careful consideration and for helping all the talented athletes be able to compete in their chosen sport.
